Aaron Tiny and the Great Snake Invasion Cullen Gwin, 2015-01-13 I m bored thought Aaron Tiny as he sat behind a wall He was staring through a tiny nail hole in the wall watching Peter Martin the big boy in the next room playing video games I could do better than he s doing Aaron sighed At that moment Aaron heard the boy s mother calling him Peter are you ready to go to Aunt Martha s with me Ready or willing muttered Peter under his breath When his mother appeared in the doorway Peter finally turned off the video game and headed out A moment later Aaron heard the front door close behind them He waited several minutes just to be sure they weren t coming back for something they had forgotten then he quickly hurried down the hallway that had been built into the walls of the big people s house Now was his chance Aaron had discovered a mouse hole that led into Peter s bedroom only the week before It had taken a little exploring but finally he figured out a way to get down to the mouse hole and back up He had needed a rope to climb on but just that week the big family had thrown away an old lamp and the cord was perfect for the task Find out what happens when Aaron sneaks into Peter s room to play a video game and finds himself in the middle of an earthquake The Tinys are a family of very small people that live inside the

walls of a big person s apartment In many ways Tinys are like littles but they don t have tails like littles do There are four children in the Tiny family Gabrielle or Brie as she is better known is the oldest Then comes Aaron the only boy After Aaron are the twins Danielle and Rachelle They all live with their mother and father Living nearby are their grandmother and their Aunti Karen who they spend a lot of time with The Tinys all live in the walls of an apartment that belongs to the Martin family In the Martin Family there are the parents June and Jerry and their only child Peter They also have three cats As you may know cats love to chase things that are smaller than they are and tinys are just the right size for a cat to chase The cats will pounce on the tinys and bat them around They may not mean to hurt the tinys but they do That s why tinys don t like cats The Tinys work hard at making things work They like to recycle things that the big people throw away They also like parties and good times and spending time together In many ways Tinys are just like you and me only smaller Read about the adventures of the Tinies in this series Ages 7 to 12 Reading level 5 7 3098Words [Book Markets for Children's Writers](#) Marni McNiff,2007-04 Feature articles on markets for picture books and board books sports writing hi lo nonfiction historical fiction science Cover *Reading Comprehension and Vocabulary Development* Sharon Diane Orian,2010 Reading Comprehension Vocabulary Development Series Ignite the interest of your reluctant reader and rekindle the enthusiasm of your accomplished one with these high interest Reading Comprehension Workbooks Each book includes 10 original exciting and informative short stories that cover a broad range of topics such as Tales of Adventure Science Biographies Tales of Fantasy and Interpersonal Relationships Multi cultural and non sexist guidelines have been observed to provide reading material for a wide population New vocabulary is defined and used in context Pronunciation entries are from Thorndike Barnhart s Advanced Dictionary Students learn how to preview and survey through a preview question by focusing on key sentences and or paragraphs designed to teach essential skills Each lesson illustration is intended to add interest to the story and to assist the reader in understanding the selections plot and character development [Literacy Assessment and Intervention for Classroom Teachers](#) Beverly DeVries,2017-07-05 The fourth edition of this comprehensive resource helps future and practicing teachers recognize and assess literacy problems while providing practical effective intervention strategies to help every student succeed The author thoroughly explores the major components of literacy providing an overview of pertinent research suggested methods and tools for diagnosis and assessment intervention strategies and activities and technology applications to increase students skills Discussions throughout focus on the needs of English learners offering appropriate instructional strategies and tailored teaching ideas to help both teachers and their students Several valuable appendices include assessment tools instructions and visuals for creating and implementing the book s more than 150 instructional strategies and activities and other resources [Slippery Snakes and Whispering Seashells](#) Jay Dale,2017 Perfect for sharing in the classroom this wonderful collection of carefully levelled poems rhymes and songs are sure to delight your very youngest readers With vibrant illustrations and fun rhyming text children will experience different
