Am I Really A Christian 9marks:

Am I Really a Christian? (Foreword by Kirk Cameron) Mike McKinley, 2011-06-07 Jesus divided the world into two groups those who follow him and those who don't. But what happens when someone thinks he or she is a Christian but isn't? With his witty engaging style Mike McKinley takes readers on a journey of what it means to be a Christian. He asserts that manipulative evangelism techniques and a poor understanding of the gospel have resulted in an abundance of professing Christians who have no idea what it means to follow Christ. Each chapter title begins with 'You're not a Christian if...' when just because you... As he surveys what it means to be Christian, McKinley offers criteria for evaluating one's standing before God. Readers are guided through a series of challenges to reflect, repent, remember, and report to another person. *Am I Really a Christian* ends with chapters on salvation and the local church. This unique book is written for nominal or new Christians and can be used in personal or small group study.

The Christian as Imitator of Christ Francis Kofi Achampong, 2025-04-25 Two and a half billion people worldwide profess to be Christians. These include people who espouse ideas about White Christianity, Christian nationalism, Christian libertarianism, racial segregation, and racial purity. It also includes people who see assistance to the poor as handouts that perpetuate poverty. The latter group includes people who espouse ideas about accountable individualism where people are expected to pull themselves up by their own bootstraps and become self-sufficient as a sign of faith in God's grace and a perversion of crucicentrism which takes the position that it is compassionate to allow poor people to suffer because it can drive them to the cross and salvation in Christ.
