From Spirituals to Symphonies Helen Walker-Hill, 2007 Exploding the assumption that black women s only important musical contributions have been in folk jazz and pop Helen Walker Hill s unique study provides a carefully researched examination of the history and scope of musical composition by African American women composers from the nineteenth and twentieth centuries Focusing on the effect of race gender and class From Spirituals to Symphonies notes the important role played by individual personalities and circumstances in shaping this underappreciated category of American art The study also provides in depth exploration of the backgrounds experiences and musical compositions of eight African American women including Margaret Bonds Undine Smith Moore and Julia Perry who combined the techniques of Western art music with their own cultural traditions and individual gifts Despite having gained national and international recognition during their lifetimes the contributions of many of these women are today forgotten

Mozart, Haydn and Early Beethoven Daniel Heartz, 2015-05-27 A vivid portrait of Mozart and Haydn s greatest achievements and young Beethoven s works under their influence Completing the trilogy begun with Haydn Mozart and the Viennese School 1740 1780 and continued in Music in European Capitals The Galant Style 1720 1780 Daniel Heartz concludes his extensive chronicle of the Classical Era with this much anticipated third volume By the early years of the nineteenth century Haydn Mozart and Beethoven had become a catchphrase a commonplace expression signifying musical excellence Indeed even in his early career Beethoven was hailed as the only musician worthy to stand beside Haydn and Mozart In this volume Heartz winds up the careers of Haydn and Mozart who during the 1780s produced their most famous and greatest works and describes Beethoven s first decade in Vienna during which he began composing by patterning his works on the two masters The tumult and instability of the French Revolution serves as a vivid historical backdrop for the tale

The Symphonic Repertoire, Volume V Brian Hart, A. Peter Brown, 2024-01-30 Central to the repertoire of Western art music since the 1700s the symphony has come to be regarded as one of the ultimate compositional challenges In his series The Symphonic Repertoire the late A Peter Brown explored the symphony in Europe from its origins into the 20th century In Volume V Brown s former students and colleagues continue his vision by turning to the symphony in the Western Hemisphere It examines the work of numerous symphonists active from the early 1800s to the present day and the unique challenges they faced in contributing to the European symphonic tradition The research adds to an unmatched compendium of knowledge for the student teacher performer and sophisticated amateur This much anticipated fifth volume of The Symphonic Repertoire The Symphony in the Americas offers a user friendly comprehensive history of the symphony

R. F. Maunder,2004 Evidence indicates that the concertos of Vivaldi Bach Haydn etc were performed as chamber music not the full orchestral works commonly assumed The concertos of Vivaldi Bach Handel and their contemporaries are some of the most popular and the most frequently performed pieces of classical music and the assumption has always been they were full orchestral works This book takes issue with this orthodox opinion to argue quite the reverse that contemporaries regarded the concerto as chamber music The author surveys the evidence from surviving printed and manuscript performance material from concerts throughout Europe between 1685 and 1750 the heyday of the concerto demonstrating that concertos were nearly always played one to a part at that time He makes a particularly close study of the scoring of the bass line discussing the question of what instruments were most appropriate and what was used when The late Dr RICHARD MAUNDER was Fellow of Christ's College Cambridge
