## **A Woman With No Strings Attached:**

*A Woman with (No) Strings Attached* Lucie Novak, 2014-06-30 Lucie had always found skiing far more exciting than sex. That is until one day the sex got better. For years she had thought orgasm was an unattainable myth but after a lifetime of boring conventional sex with her husband the 58 year old family doctor discovers an entirely new side to her personality. She joins an internet site for adults looking to meet for sex just for sex's sake not connected with love or meant as a gift for the other person. Unusually this was the idea of Lucie's new American partner Tom who lives apart from her in New York. Tom has voyeuristic tendencies and he is excited by her detailed reports as she contacts, meets and sexually explores a variety of men. Tom and Lucie in her guise as her alter ego Adrienne delight in uncovering this daring and unconventional new aspect to her character. Both are having fun but will Tom always accept Lucie's erotic liaisons or is the bubble destined to burst? *A Woman with No Strings Attached* is an unusual and explicit memoir of one average woman's journey to not so average sexual enlightenment.

**No Strings Attached** Rachel Nafziger Hartzler, 2013-04-30 *No Strings Attached* is the story of a Mennonite congregation in Indiana that existed for eighty six years. The congregation began during the social and religious turmoil of the 1920s when some Mennonites in North America held to rigid doctrines and ethics implemented by central authority and others operated with a congregational polity and became more assimilated into secular culture. The struggle between these two different understandings of faithfulness was most passionately played out in northern Indiana. Placing the narrative of this congregation within the context of 500 years of Mennonite history illustrates the grace and the tension that has both beset and empowered a unique group of people who began as radical reformers. Although *No Strings Attached* refers to the women's headwear during the 1920s which had no strings it could also be the story of the pastor eating lunch on the peak of the steep roof of the church building. Reflecting on stories of these Mennonite people is an invitation to move into the future with courageous hope. Believing and behaving differently has not prevented Middlebury Mennonites from treating each other respectfully, living in a community of love, joy and peace and offering God's healing and hope to each other and to the world.
