[The Adult Baby Identity - A Self-help Guide](#) Dylan Lewis, 2019-11-05 Knowing who we are as individuals is the most important journey in our lives and for many it is the most difficult one Even for people we call vanilla with no apparent kinks and oddities it is a herculean task But when you are an Adult Baby it is a vastly more complex mission Add being sissy to the mix and we are already pushing up hill and often failing miserably But if we don t know who we are we act as if we are someone we are not We try to create a personality not fully our own We create masks and in doing so we create problems for ourselves and others around us This is the true value of books like this and others along the same vein ABDL is not like other identity problems It is unique different and requires a perspective all of its own It is not about gender although gender issues can be involved It is not about sexual preference although that can be involved as well It is primarily about age and being powerfully driven back to a time of life most have left behind and yet we still literally inhabit We don t wear diapers for no reason We don t play with baby toys just for something to do We do it because part of our identity mix is that of an infant

[Growing Down: A guide to being authentically you \(diaper version\)](#) Andrew Stephens, 2025-07-01 For many of us there is a certain discomfort in being in our current bodies and lifestyle We want to grow down to a younger age even as young as a toddler or baby We may wish to be the other gender when we grow down Andrew Stephens has spent an entire life growing

down to his her baby age and presents a guidebook for how to do it with or without a caregiver partner and be authentically you

A Woman's Guide To... (Diaper Version) Gwendoline Summers,Forrest Grant,Florence Grant,Maggie Joyce,2022-04-06 Gwendoline Summers has a special style of writing to women about some of the unique options available to them She knows what it is like to baby her husband Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be This is not an enforced babying guide but rather one to help women who already KNOW that their partners need the security of diapers a pacifier and a babyish lifestyle to achieve that goal The second book covers the subject in a more extensive way about making your partner into a Sissy Baby a baby girl And the third book brings up an interesting question is potty training a thing of the past and is it time to reject it both for your partner and yourself This book is not just for women with AB partners but for ALL women whether their partners are AB or not She takes it step by step on how to slowly get your partner into diapers and other baby items If your partner is AB then you are already partway there but if they are non AB this book is still for you It is a guidebook along a journey of letting our men express the infancy inside that is so often just beneath the surface

A Woman's Guide to Babying Her Partner - diaper edition Gwendoline Summers,Evelyn Hughes,Melissa McMahon,Maggie Joyce,2021-02-27 Gwendoline Summers knows what it is like to baby her husband Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be This is not an enforced babying guide but rather one to help women who already KNOW that their partners need the security of diapers a pacifier and a babyish lifestyle to achieve that goal This book is not just for women with AB partners but for ALL women whether their partners are AB or not She takes it step by step in how to slowly get your partner into diapers and other baby items If your partner is AB then you are already part way there but if they are non AB this book is still for you It is a guide book along a journey of letting our men express the infancy inside that is so often just beneath the surface

The Adult Baby Identity - the Complete Collection Dylan Lewis,2020-02-23 Knowing who you are and what your personal identity is will always be a powerful and important goal For diaper wearers and adult babies of course this is complicated by the duality of nature part infant and part adult Understanding that is terribly difficult and for most we end up staggering through life not really sure who we are how we came to be and how to feel good about ourselves These FOURbooks in one volume lay a great psychological foundation on the issues of Adult Regression and a worthy read for anyone interested in the topic either as an observer or as a participant If you are an adult baby or related to one this book will give you a deeper understanding of just why ABDLs exists and how to understand why it is not something you can just decided to give up or stop doing It is part of the identity and therefore part of who we truly are

Adult Babies: Who Are We and What Do We Do? Michael Bent, Being an adult baby can be confusing and difficult at times This book of thirty essays and articles addresses some of the issues needs and problems of the ABDL community and is part of the AB Discovery group They are a wonderful resource and helpful for understanding ABDL life and feelings Updated July 2020

Being an Adult Baby

Michael Bent,Rosalie Bent,Dylan Lewis,Melinda McMahon,2020-11-24 Being an Adult Baby can be both a wonderful experience and deeply frustrating one We want what we cannot have and we often find controlling this drive a difficulty This book is a collection of 31 essays articles and stories from a handful of ABDL authors whose knowledge and experience helps us all If you wear nappies diapers a little a lot or constantly this book can be a guide If you want to be a baby a little a lot or constantly it can help you understand more about it And for all of us this book offers not just understanding but some practical tips and helps on living life as an Adult Baby We all know it can be a hard deal at times but at others we are blessed we reliving infancy while the rest of the world is blissfully ignorant of the wonders of babyhood We are very special and we are very different and so we need our own guide books to help us on the way This is one such book **The Infant**

Reconnection Manual (diaper version) Evelyn Hughes,2025-07-17 Living as an infant either part time or full time is ambitious and complicated Evelyn Hughes has written a manual a step by step guide for regressing your partner or friend back to infancy at the level you decide is appropriate As the parent of a full time adult baby she is well qualified to explain how to do it Designed to be read by either the baby or the parent or both *The Fulltime, Permanent Adult Infant - diaper version*

Maggie Joyce,Michael Bent,Rosalie Bent,2021-03-01 Maggie Joyce married Charlie an Adult Baby with eyes wide open back in the 1980s when ABs were scarcely heard of and not at all understood Over many years Charlie became more and more of a baby and unlike most ABs did not find a bottom to his infantile needs Eventually Charlie became a fulltime permanent adult infant with no significant adult behaviour left This is a rarity but it is not unknown Maggie speaks from her many years of experience with a full infant and shares both her story and the advice of others who also have a complete infant and offers guidance to those who may be facing a similar situation or something approaching it Most people AB and non AB alike would recoil from the mere suggestion of a total return to infancy For some it is an appealing fantasy but for others it is a destination they crave need and occasionally arrive at This book is part narrative of their journey and part guide book for those entering that most extraordinary and most challenging experience *The Fulltime Permanent Adult Infant*

THIS VOLUME CONTAINS Training Mark Kidnapped In His Place It Pays to Dominate **Adult Babies: Psychology and Practices** Michael Bent,Rosalie Bent,2020-10-31 The world of the Adult Baby can appear bizarre and incomprehensible to many from the outside looking in Even to Adult Babies themselves the powerful drives and confusing needs can be a struggle to manage In the Bent s second major work on the topic this book dissects the psychological structure of Adult Infantile Regression and seeks to answer many of the seemingly unanswerable questions such as why are people attracted to diapers where did this all come from and what do I do about this This book is designed not just for Adult Babies themselves but also family friends partners and therapists who want to simply understand what is going on There is a lot more to Adult Babies than diapers and pacifiers Read this book to learn more [The Book Club Baby \(Rubber Pants Version\)](#) Madeline Wood,2024-11-08 In an affluent suburb of Los Angeles five rich young women meet for their regular Book Club Far too wealthy to be concerned by plebeian needs such as having jobs they share their lives and their hopes and dreams over discussing the latest book and more than a little wine Then one day one of them suggests a new book The Baby of the Baskervilles a story of a couple who have a baby girl living with them who is neither a baby nor a girl She is an adult baby dressed and trained to be an infant To most of them it is nothing more than a weird and odd story of the type they love to discuss In a world of wealth extravagance and having whatever she wants one thing has eluded three times married Chelsea a baby The idea of an adult baby like from the book unexpectedly appeals to her No childbirth no dealing with the teenage nightmare and a constant presence that desperately needs her unlike any man she has ever met And if that baby girl she craved happened to have a penis so what Babies were sexless anyhow Chelsea had the money the house the time and the desire to have a baby finally And her Book Club friends would be the support and helpers she would need But how do you
