Alexander the Great: Volume 2, Sources and Studies W. W. Tarn, William Woodthorpe Tarn, 1979-05-31 Tarn's Alexander the Great has become a classic and its importance for subsequent Alexander studies can hardly be exaggerated

Alexander the Great: Sources and studies William Woodthorpe Tarn, 1950 *Byzantium and the Arabs in the Fourth Century* Irfan Shahîd, 1984 This book elucidates the birth of the new relationship between the Roman Empire and the Arabs and the rise of its institutional forms Shahîd discusses the participation of the Arab foederati in Byzantium's wars with her neighbors the Persians and the Goths during which those Arab allies contributed to the welfare of the imperium and the ecclesia

Chandragupta Maurya Sushma Jansari, 2023-06-01 We take it for granted that some historical figures become heroes and others do not Chandragupta Maurya evolved from obscure ruler to contemporary national icon The key moment in the making of this Indian hero was a meeting by the banks of the River Indus between Chandragupta and Seleucus founder of the Seleucid empire and one of Alexander the Great's generals in c 305-3 BC This significant event was a moment of peace making at the end of conflict But no reliable account exists in early sources and it is not even clear which ruler was victorious in battle This uncertainty enabled British and Indian historians of the nineteenth and twentieth centuries to interpret the sources in radically different ways With Chandragupta representing India and Seleucus standing in for Britain British scholars argued that Seleucus defeated Chandragupta while Indian academics contended the opposite The writing and reception of history fundamentally influences how we engage with the past and the evolving colonial and post colonial relationship between Britain and India is crucial here In India the image of Chandragupta as an idealised hero who vanquished the foreign invader has prevailed and found expression in contemporary popular culture In plays films television series comic books and historical novels Chandragupta is the powerful and virtuous Hindu ruler par excellence The path to this elevated standing is charted in this book

The Greek World 479-323BC Simon Hornblower, 2013-01-11 The main aim of this book is to do justice to all the areas of the Mediterranean world in which Greek culture flourished in the fifth and the fourth centuries BC

The Cambridge History of Iran I I. Gershevitch, 1985 **Antiquarian Bookman**, 1957 **Alexander Histories and Iranian Reflections** Parivash Jamzadeh, 2012-08-17 Parivash Jamzadeh demonstrates how the propaganda material used during Alexander the Great's military campaign to conquer the Achaemenid empire shows multiple layers of Iranian influences She also shows that the studied sources do not always offer an accurate account of the contemporary Iranian customs and occasionally included historical inaccuracies
