At The Rivers Edge Lessons Learned In A Life Of Fly Fishing:

At the River's Edge Jerry Kustich, 2002-08 This collection of tales is from a man who lives a life dedicated to fly fishing Told with passion and an obvious love of both fish and fishing Jerry Kustich's stories feel like spending time with an old friend

Snow Country, 1996-03 In the 87 issues of *Snow Country* published between 1988 and 1999 the reader can find the defining coverage of mountain resorts ski technique and equipment racing cross country touring and the growing sport of snowboarding during a period of radical change The award winning magazine of mountain sports and living tracks the environmental impact of ski area development and people moving to the mountains to work and live Lessons of the Wild

Edwin L. Andersen, 2009-05-13 *Lessons of the Wild* creates an awareness of the essential lessons that Nature teaches us and provides a guidebook for men and women particularly those in their forties fifties and sixties who are seeking greater significance in their lives This book traces the traditional meaning of wilderness blended with deep reflections and fascinating stories told by ordinary and some extraordinary people whose lives were dramatically altered by their experiences in wild places In *Lessons of the Wild* Ed Andersen proposes that we have become estranged from the Source of our being and that the wilderness is our place of deep belonging He calls for a rediscovery of our densely embedded affiliation with the Earth and its inhabitants In support of this call he offers five paired paths to wisdom called Habits of Wholeness which ultimately lead the reader to the consideration of a radical personal freedom The book is unique in the way that it captures the elusive relationship between the outer wilderness of Nature and the inner wilderness of the human spirit *Lessons of the Wild* is also a book about transitions particularly in the major passages from boyhood to manhood and from the middle years to an age of wisdom *Lessons of the Wild* is grounded in the profound conviction that wisdom can be drawn out of the wilderness and into everyday experience And that through Nature we can begin to recover some of what's missing from our lives *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986*, 2002
