ASTRAL PROJECTION FOR BEGINNERS

A person is walking away from the viewer on a wooden bridge with railings. The bridge leads towards a very bright, glowing light source in the distance, creating a silhouette effect. The surrounding environment is dark and atmospheric, with some faint, wispy light trails or smoke-like effects. The overall color palette is dominated by dark blues, purples, and oranges, with the bright light source providing a strong contrast.

difference is that you're wide awake. Just as the physical world exists made up of cars and streets and buildings, the astral world exists too, and so when we leave our physical body and enter the astral plane, we are projecting our body into that invisible world. While it can take a while to become proficient at astral travel, this book will take you step by step through the process and give you everything you need to experience this phenomenon yourself.
