At His Feet A Guided Study Through The Gospel Of John:

At His Feet Marci Preheim, 2015-05-28 Most people have preconceived ideas about what the Bible says who Jesus is and what He requires from His disciples But how many people actually take the time to investigate these things The Gospel of John makes it clear that our human minds tend to default to systems of religion and self justification Most people think the Bible is a handbook for how to work our way to God Just the opposite is true Because we could not work our way to Him God worked His way to us Jesus said I am the way and the truth and the life No one comes to the Father except through me John 14 6 The path He provided is a free gift given to all who believe The apostle John wrote his Gospel so that you may believe that Jesus is the Messiah the Son of God and that by believing you may have life in his name John 20 31 Come sit at His feet with me Journey with me into this amazing work and perhaps you will find a paradigm shift taking place in your life Jesus did not come to save the religious elite or those who have the highest theological credentials He came to proclaim good news to the poor to bind up the brokenhearted to proclaim freedom for the captives and release the prisoners from darkness Isaiah 61 1 He came for sinners like you and me

The Spirituality of Following Jesus in John's Gospel Sean Seongik Kim,2017-10-12 Research on following Jesus has mostly been done in

terms of what Jesus followers ought to do In this unprecedented study Kim presents following Jesus in John s Gospel through the perspective of what Jesus does for his followers Following Jesus is a journey towards the place where Jesus leads his followers that is to a relationship with the Father It is ultimately participating in the Son s communion with the Father Jesus who was in the bosom of the Father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the Father in glory and love Kim develops this thesis by examining the term akolouthein to follow and correlated motifs in John s Gospel **Bible Society Record** ,1897
