

A whimsical, painterly illustration of a globe. The globe is the central focus, with various scenes of life and nature around it. On the left, a large red dragon with a human-like face is breathing fire. A small boat with a sail is on the water. On the right, a small elf-like figure is running. A small house is on a hill. In the background, there are mountains and a large tree. The sky is blue with white clouds and a small white bird. The overall style is soft and dreamlike.

At The Same Moment Around The World:

At the Same Moment, Around the World Clotilde Perrin, 2014-03-11 Starting from the Greenwich meridian this book takes the reader east imagining what children are doing at that moment in each of the twenty four time zones *Around the World. Sketches of Travel Through Many Lands and Over Many Seas* Edward Dorr Griffin Prime, 2024-06-01 Reprint of the original first published in 1876

A Time of Demons and Angels Kathryn Meyer Griffith , Since Cassandra Graystone was a child and her family perished in a fire she knows and sees things other people don't when someone will die or that a demon lurks beneath a human skin She sees phantoms Yet she craves a simple life singing out with her musician brother Johnny and caring for her elderly aunt and uncle to be with her friends Sarah a psychic and Walter a clown in a carnival circuit But when Sarah sees apocalyptic events in her tarot cards and demons are everywhere Cassandra fears she's going insane or something terrifying is happening in the world Rayner an ancient blood demon lodges next door He becomes obsessed with her Never having felt pity or affection for a human before he believes he loves her would die to protect her The demon realm gathers for the final confrontation between us Rayner warns The apocalypse comes You and your friends must prepare Cassandra flees that knowledge until an angelic being Manasseh appears Your powers will grow You must fight for humanity's survival after the first wave is taken Seek out others like you Persuade them to join the battle Only these can see and challenge the demons until the end when all eyes see them She doesn't want her life to change doesn't want to be a nomad who battles demons Doesn't want to be anyone's protector Until a tornado flattens Sarah's house Johnny's apartment There are monsters maiming and killing everywhere Demons persecute her and those she loves burn down her home and force her family and friends onto the road as everywhere cataclysmic weather and signs of the end days make things hellish for humans Cassandra and her friends can no longer deny their destinies They must fight or see the remnants of humanity engulfed in flames

A Handbook for Catholic Preaching Edward Foley, 2016-11-02 While admitting particular parameters and priorities for Roman Catholic preachers this volume was intentionally envisioned as a handbook for catholic preaching in the broadest and most universal sense of that term Cosponsored by the Catholic Academy of Liturgy the Catholic Association of Teachers of Homiletics and the Federation of Diocesan Liturgical Commissions it covers the role of the Scriptures in preaching the challenges of preaching in a digital age sermonizing in an interfaith context and the need for a liberative and prophetic word that cuts across denominations and even faith traditions Intended to aid those who teach or direct the preaching arts the design and writing style of this book are particularly calibrated to graduate students in ministerial studies Every article is a self-contained overview of a particular historical period genre of preaching homiletic theory or contemporary issue This more encyclopedic approach devoid of footnotes yet supported by pertinent bibliography and an extensive index provides a sufficiently rich yet thoroughly accessible gateway to major facets of the preaching arts at this stage of the twenty first century General Editor Edward Foley Associate Editors Catherine Vincie Richard N Fragomeni
