At Night She Cries, While He Rides His Steed Ross Patterson, 2015-06-09 At Night She Cries While He Rides His Steed is a side splitting satire that perfectly parodies romance novels and western dramas Our hero Saint James Street James is a tall extremely muscular 32 year old man whose attributes and possessions include a mind stronger than Socrates on acid a magnificent horse he loves more than anything in the world a package so large that it requires a signature a beautiful passionate wife with a rack so perfect it belongs on a billiard table a ton of children and his own personal gold mine His life set in 1849 against the backdrop of the California Gold Rush is one long parade of amazing sex dynamite montages whiskey and explosive gunfights The kinds of things men could do when men were actually men He is the richest man in town equal parts loved and feared by all But when the Schl ger Brothers come to town so too comes the end of the good times St James is forced to defend everything that matters to him including but not limited to prostitutes his horse money and drugs Oh and his wife and children too sort of God help anyone who stands in his way
