Eurasian Emma Teng,2013-07-13 In the second half of the nineteenth century global labor migration trade and overseas study brought China and the United States into close contact leading to new cross cultural encounters that brought mixed race families into being Yet the stories of these families remain largely unknown How did interracial families negotiate their identities within these societies when mixed race marriage was taboo and Eurasian often a derisive term In Eurasian Emma Jinhua Teng compares Chinese Western mixed race families in the United States China and Hong Kong examining both the range of ideas that shaped the formation of Eurasian identities in these diverse contexts and the claims set forth by individual Eurasians concerning their own identities Teng argues that Eurasians were not universally marginalized during this era as is often asserted Rather Eurasians often found themselves facing contradictions between exclusionary and inclusive ideologies of race and nationality and between overt racism and more subtle forms of prejudice that were counterbalanced by partial acceptance and privilege By tracing the stories of mixed and transnational families during an earlier era of globalization Eurasian also demonstrates to students faculty scholars and researchers how changes in interracial ideology have allowed the descendants of some of these families to reclaim their dual heritage with pride , General Catalogue of the Public Library of Detroit, Mich. Roberts,Stephen Schloesser, J.S.,2017-07-31 In *Crossings and Dwellings* Kyle Roberts and Stephen Schloesser S J bring together essays by eighteen scholars in one of the first volumes to explore the work and experiences of Jesuits and their women religious collaborators in North America over two centuries following the Jesuit Restoration Long dismissed as anti liberal anti nationalist and ultramontanist restored Jesuits and their women religious collaborators are revealed to provide a useful prism for looking at some of the most important topics in modern history immigration nativism urbanization imperialism secularization anti modernization racism feminism and sexual reproduction Approaching this broad range of topics from a variety of disciplinary perspectives this volume provides a valuable contribution to an understudied period

Organized Crime and American Power Michael Woodiwiss,2024-06-03 Popular histories of organized crime in the United States often look to the Mafia and the sons of early twentieth century immigrants such as Al Capone Lucky Luciano and Meyer Lansky for their origins In this second edition of *Organized Crime and American Power* Michael Woodiwiss refocuses on US organized crime as an American problem The book starts in 1789 with the birth of a new nation intended to be run according to laws and conventions with a written commitment to civil rights Woodiwiss examines the organization of crime before the Civil War which damaged or destroyed the lives of those excluded from constitutional protections Indigenous peoples Black people and women The book focuses on white supremacist crime and the pernicious influence of Southern leaders in alliance with opportunistic politicians It examines the organized crimes of powerful business interests in alliance with politicians as well as the corrupt consequences of the US moralistic campaigns against alcohol gambling drugs and abortion *Organized Crime and American Power* brings solid historical evidence and analysis to the task of refuting conventional wisdom that frames organized crime as something external to US political economic and social systems

The Armies of the Streets Adrian Cook,2021-10-21 In July 1863 New York City experienced widespread rioting unparalleled in the history of the nation Here for the first time is a scholarly analysis of the Draft Riots dealing with motives and with the reasons for the recurring civil disorders in nineteenth century New York the appalling living conditions the corruption of the civic government and the geographical and economic factors that led up to the social upheaval
