The Art of Value Investing John Heins, Whitney Tilson, 2013-04-12 Says Bill Ackman of Pershing Square Capital Management about The Art of Value Investing I learned the investment business largely from the work and thinking of other investors The Art of Value Investing is a thoughtfully organized compilation of some of the best investment insights I have ever read Read this book with care It will be one of the highest return investments you will ever make Based on interviews with the world's most successful value investors The Art of Value Investing offers a comprehensive set of answers to the questions every equity money manager should have thought through clearly before holding himself or herself out as a worthy steward of other people's money What market inefficiencies will I try to exploit How will I generate ideas What will be my geographic focus What analytical edge will I hope to have What valuation methodologies will I use What time horizon will I typically employ How many stocks will I own How specifically will I decide to buy or sell Will I hedge and how How will I keep my emotions from getting the best of me Who should read The Art of Value Investing It is as vital a resource for the just starting out investor as for the sophisticated professional one The former will find a comprehensive guidebook for defining a sound investment strategy from A to Z the latter will find all aspects of his or her existing practice challenged or reconfirmed by the provocative thinking of their most successful peers It also is a must read for any investor institutional or individual charged with choosing the best managers for the money they are allocating to equities Choosing the right managers requires knowing all the right questions to ask as well as the answers worthy of respect and attention both of which are delivered in The Art of Value Investing

Bluecoat, Liverpool Bryan Biggs, John Belchem, 2020 An integral part of Liverpool's cultural life for three centuries Bluecoat is a unique and much loved institution in the city This book tells its fascinating story as it evolved from charity school to the UK's first contemporary arts centre It sheds light on the port's eighteenth century religious and mercantile environment including transatlantic slavery and educational philanthropy in which it grew and how such echoes continue to resonate in the work of artists with whom Bluecoat works The predominant focus is on an inclusive building for the arts started by the bohemian Sandon Studios Society in 1907 which hosted significant exhibitions that included Picasso Matisse and many leading modern British artists Bluecoat Society of Arts emerged in 1927 as the building's custodians paving the way for an arts centre that overcame financial woes and wartime bombs to play a prominent role in the culture of Liverpool and the UK with artists and communities at its heart Described as where village hall meets the avant garde Bluecoat's rich story encompasses an eclectic cast of characters such as Stravinsky Yoko Ono Simon Rattle Captain Beefheart Sun Ra and the inspirational Fanny Calder as the authors trace Bluecoat's key strands including visual art music performance the building's own creative community and its distinctive Queen Anne architecture harmoniously refreshed in the twenty first century Book jacket
