Defying Deception Jonathan K. Corrado, 2024-02-29 Comprehensive training and well established tactics are the trademark qualities of a solid and robust military training program designed to win wars As a result well trained soldiers can think and act soundly while engaged in warfare Like soldiers Christians must similarly train to become prepared to make biblically sound choices while engaged in spiritual warfare specifically deception Deception as clearly conveyed in the Bible is Satan s weapon of choice therefore if understood properly can be thwarted effectively Defying Deception A Field Guide to Understanding and Countering Satan s Strategy of Deception is a book for those who want to raise their awareness of the enemy s strategies and to mature their spiritual walk by offsetting the enemy s deceptive methods with practical means That said this field guide establishes a parallel between Satan s deceptive tactics and military Psychological Operations PSYOP operations to convey false information to influence emotions motives and reasoning because both seek to lead people into falsehood to influence decision making in a destructive way This field guide discusses Satan s deceptive strategy within the context of PSYOP Armed with this information practical defensive strategies are developed using well established effective military tactics to assist readers in overcoming spiritual deception

Angels and Angelology in the Middle Ages David Keck, 1998-07-23 Recently angels have made a remarkable comeback in the popular imagination their real heyday however was the Middle Ages From the great shrines dedicated to Michael the Archangel at Mont St Michel and Monte Garano to the elaborate metaphysical speculations of the great thirteenth century scholastics angels dominated the physical temporal and intellectual landscape of the medieval West This book offers a full scale study of angels and angelology in the Middle Ages Seeking to discover how and why angels became so important in medieval society David Keck considers a wide range of fascinating questions such as Why do angels appear on baptismal fonts How and why did angels become normative for certain members of the church How did they become a required course of study Did popular beliefs about angels diverge from the angelologies of the theologians Why did some heretics claim to derive their authority from heavenly spirits Keck spreads his net wide in the attempt to catch traces of angels and angelic beliefs in as many portions of the medieval world as possible Metaphysics and mystery plays prayers and pilgrimages Cathars and cathedrals all these and many more disparate sources taken together reveal a society deeply engaged with angels on all its levels and in some unlikely ways
