Story *Have Love* by Tamara Philip **All's Fair in Love and Mystery** Deni Bash Hoffman, 2009-03-04 *All's Fair In Love And Mystery* There are two stories in this book, two mysteries laced with love stories. The first one, *One Huge Mountain*, concerns a young woman whose husband nearly beat her to death. She is left with no memory except for the past three years since she awoke from the coma. She begins a new life in a different city, unaware that her now ex-husband is searching for her. He does not intend to let her live after he finds the formula for the mind-altering drug he hopes to sell. Will the authorities, who are not persuaded that she is amnesic, be able to find her and keep her safe now that her husband has escaped from prison? The second story is about a mother who never gives up hope that her toddler is alive, even though there is no evidence that supports her maternal instinct. Nearly everyone in the city believes that both young Roger and his father died in the fiery crash. Everyone, that is, except her best friend, her friends' husband, and his twin brother. It's been a year, and the police, though sympathetic, feel that it was a tragic accident and the case has been closed. Where do the four friends begin to prove that a mother's intuition is not a myth but a fact? Deni Hoffman 54094 *All's fair in Love and Mystery* **Insiders, Outliers** Collie
