

Indicator and warning lamps

The concept

The indicator and warning lamps can light up in different combinations and colors.

When the engine is started or the ignition is switched on, some lamps are checked for proper operation and light up briefly in the process.

Explanatory text messages

Text messages at the bottom edge of the Control Display explain the meaning of the displayed indicator and warning lamps.

You can consult Check Control for additional information, e.g. regarding the cause of a malfunction or the appropriate actions to take, refer to page 79.

In urgent cases, this information will be shown as soon as the corresponding lamp lights up.
