Subversive Spirituality L Paul Jensen, 2011-06-30 Subversive Spirituality links the practice and study of Christian spirituality with Christian mission It develops a twofold thesis grace spiritual disciplines and mission practices are inseparably linked in the mission of Jesus of the early church and of several historical renewal movements as well as in a contemporary field research sample and amidst the collapse of space and time evidenced by our culture's increasingly hurried pace of life more time and space are needed for regular solitary and communal spiritual practices in church mission and leadership structures if Christian mission is to transform people and culture in our time This requires a subversion of the collapsed spatial and temporal codes that have infected our Christian institutions Jensen employs methods and approaches from a variety of academic disciplines to explore both spirituality in terms of space and time and mission in terms of deed and word Specifically Jensen examines the spirituality and mission of Jesus the early church the apostolic fathers Origen the Devotio Moderna the early Jesuits David Brainerd and several women in 19th century Protestant missions He considers the spirituality and mission that have arisen within the postmodern generations born after 1960 Based on the theological historical cultural and field analyses of this study a model for spirituality and mission is proposed The model addresses the contemporary collapse of space and time and appears to have widespread applicability to diverse cultures and eras Jensen's model is applied to the pluralistic and postmodern milieu of North America with recommendations for spirituality and mission in church mission and educational structures A derivative model for teaching and practicing spirituality and mission in the academy which also has application for non formal leadership development structures is also proposed

Empowering Revolution Gregory F. Domber, 2014 As the most populous country in Eastern Europe as well as the birthplace of the largest anticommunist dissident movement Poland is crucial in understanding the end of the Cold War

During the 1980s both the United States and the Soviet Union vied for influence over Poland's politically tumultuous steps toward democratic revolution. In this groundbreaking history Gregory F. Domber examines American policy toward Poland and its promotion of moderate voices within the opposition while simultaneously addressing the Soviet and European influences on Poland's revolution in 1989. With a cast including Reagan, Gorbachev, and Pope John Paul II, Domber charts American support of anticommunist opposition groups, particularly Solidarity, the underground movement led by future president Lech Wałęsa, and highlights the transnational network of Polish migrants and trade unionists that kept the opposition alive. Utilizing archival research and interviews with Polish and American government officials and opposition leaders, Domber argues that the United States empowered a specific segment of the Polish opposition and illustrates how Soviet leaders unwittingly fostered radical pro-democratic change through their policies. The result is fresh insight into the global impact of the Polish pro-democracy movement.

Be Transformed Bob Schuchts, 2017-03-03 Winner of a 2018 Catholic Press Association Award, Sacraments First Place. How can Christians grow spiritually in the midst of our sinfulness? How can we transform our lives in a way that allows us to share in the resurrection of Jesus? God has already given us the perfect solution: the sacraments. Whether it is the wound of past hurts, the strain in our relationships, or the stress of daily life, we all need to be comforted and made whole by Christ. In this follow-up to his bestselling *Be Healed*, Bob Schuchts explains how the sacraments can fuel your emotional and spiritual healing and bring you closer to God. Based on more than thirty-five years of experience as a therapist and decades spent in parish ministry, Schuchts demonstrates how each of the seven sacraments can be a life-changing encounter with Christ communicated through the power of the Holy Spirit. He pairs each healing sacrament with one of the seven deadly wounds that emanated from original sin in the Garden of Eden. We perpetuate and deepen those wounds each time we sin, but the sacraments are God's remedy for sin. They give us a way to restore us to wholeness in Christ. In *Be Transformed*, you'll discover how each sacrament can help you heal from wounds that can impede your relationships and sense of self-worth. With Schuchts's help, you'll learn how Baptism makes us beloved children of God, healing our wounds of rejection. Holy Communion heals our wounds of abandonment by inviting us to share in Jesus' abiding presence. Confirmation overcomes our powerlessness through the power of the Holy Spirit. Holy Orders heals wounds of confusion and disorder by re-establishing God's authority in our lives. In marriage, God's faithful love heals wounds of fear and mistrust. Reconciliation restores purity and releases us from shame. Anointing of the Sick provides enduring hope.
