Alec Soth Gathered Leaves:

Gathered Leaves , Gathered Leaves Annotated ALEC. SOTH,2022-05 Following on from the bestselling box set Gathered Leaves published to accompany Alec Soth's touring exhibition which opened in London in 2015 this unique publication brings together five of Soth's major books in their entirety in a single compact and densely detailed volume Across more than 700 pages of newsprint Soth updates and reimagines the original version of Gathered Leaves by reproducing every spread from these five books with detailed annotations in the form of notes text extracts and additional photographs This new roadmap through Soth's oeuvre also includes a new introduction by the artist 00Soth's meteoric rise to international acclaim began with his first book Sleeping by the Mississippi 2004 an elegiac road trip down the third coast of the United States which has since has sold through numerous print runs and is widely acknowledged as a classic The success of his subsequent volumes Niagara 2006 Broken Manual 2010 and Songbook 2015 elaborated Soth's lyrical but unflinching approach and reinforced his position as a master of the book form His most recent work A Pound of Pictures 2022 brings a new poetic perspective to the idiosyncrasies of American life and the practice of image making broached once again through Soth's now distinctive road trip format 00Exhibition Versicherungskammer Kulturstiftung Munich Germany May 2022 The Museum of Modern Art Kamakura Hayama Japan June 2022 **Gathered Leaves** ,2015 *A Pound of Pictures* Louis Rogers,2022-02 A Pound of Pictures is a stream of consciousness celebration of the photographic medium bringing together an entirely new collection of work by Alec Soth made between 2018 and 2021 Depicting a sprawling array of subjects from Buddhist statues and birdwatchers to sun seekers and busts of Abe Lincoln this book reflects on the photographic desire to pin down and crystallise experience especially as it is represented and recollected by printed images Throughout this eclectic sequence are the recurring presences of iconography of souvenirs and mementos and of the image makers that surround us day to day Forming a winding ruminative road trip Soth's photographs are followed by his own notes and reflections in an extended afterword If the pictures in this book are about anything other than their shimmering surfaces he writes they are about the process of their own making They are about going into the ecstatically specific world and creating a connection between the ephemeral light time and the physical eyeballs film Each book contains five randomised replica vernacular photographs loosely inserted within the pages Publisher's website **The South in Color** William Ferris,2016-07-01 Since the moment William Ferris's parents gave their twelve year old son a Kodak Brownie Hawkeye camera for Christmas in 1954 Ferris passionately began to photograph his world He has never stopped The sixties and seventies were a particularly significant period for Ferris as he became a pathbreaking documentarian of the American South This beautiful provocative collection of 100 of Ferris's photographs of the South taken during this formative period capture the power of his color photography Color film as Ferris points out in the book's introduction was not commonly used by documentarians during the latter half of the twentieth century but Ferris found color to work in significant ways in the photographic journals he created

of his world in all its permutations and surprises The volume opens with images of his family s farm and its workers family and hired southeast of Vicksburg Mississippi The images are at once lyrical and troubling As Ferris continued to photograph people and their homes churches and blues clubs their handmade signs and folk art and the roads that wound through the region divisive racial landscapes become part of the record A foreword by Tom Rankin professor of visual studies and former director of the Center for Documentary Studies at Duke University provides rich insight into Ferris s work **Alec Soth :**
