Alexander Hamilton A Life

Alexander Hamilton A Life:

Alexander Hamilton Willard Sterne Randall, 2003 *Alexander Hamilton* Hourly History, 2016-12-18 Alexander Hamilton did not rise to public prominence as an austere New Englander or a gentlemanly Virginian. He was not born in the colonies at all. He was born in the West Indies the son of a woman of French descent who had left her husband for another man. As an illegitimate child Hamilton could not be educated in the local church school so businessmen impressed by his remarkable intelligence sent him to America for his schooling. The American Revolution would interrupt his vacation but accelerate his promotion to the national stage from his service as George Washington's aide de camp to his position as the new nation's first Secretary of the Treasury. Hamilton understood money and knew that for the nation to thrive it had to become financially strong a stance which brought him into contention with other Founding Fathers who distrusted his enthusiasm for a strong central government. Inside you will read about Hamilton Rises The Patriotic Prodigy Hamilton the Politician and Puller of Strings Washington's Man at the Treasury The Reynolds Affair Back to New York Hamilton and Burr The Final Chapter His extramarital affair with a married woman brought his public career to a conclusion but he continued to involve himself in political intrigue. It was his role in a contested election that brought him to a duel with Aaron Burr the shadowy character in American history. Scandal and death cannot overpower the mighty role he played in building the United States of America.

The Life and Times of Alexander Hamilton ... Christopher James Riethmüller, 1864 **The Life of Alexander Hamilton, Vol. 1 of 2 (Classic Reprint)** John T. Morse, 2017-09-17 Excerpt from *The Life of Alexander Hamilton* Vol 1 of 2. It is now many years ago that I first conceived the purpose of writing a Life of Alexander Hamilton. The undertaking was repeatedly postponed with the intention of awaiting some period of leisure but as from year to year the prospect of that period seemed to recede rather than to approach I at last despaired of its ever arriving and some four years ago entered upon my task without farther delay and have since prosecuted it in such intervals as I could snatch from professional occupation. Doubtless the work could have been much better done by some student of American history who could have devoted his unbroken days to the topic and made it the sole object of his reading and reflection. But as none such has appeared in nearly three quarters of a century I have ventured to make my effort. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
