Weapons Training for Spiritual Warfare and Frontline Ministry David Allan Jacques, 2014-10-13 WARNING Don't read Weapons Training for Spiritual Warfare and Frontline Ministry if you want to maintain the status quo It may turn your world upside down by challenging the way you have always seen things Spiritual Warfare is a very vague and nebulous term in many circles of Christendom Many believers talk about it but don't really know what it is or how to successfully engage in it Some are even afraid of or at the least uncomfortable with the subject My purpose for Weapons Training for Spiritual Warfare and Frontline Ministry is to arm Christians with a working knowledge of how to engage our enemy in battle successfully taking ground away from the demonic and bringing light into places previously occupied by darkness God wants more than anything to see His church His bride walk in purity and victory so I give the believer in Christ a working knowledge of the various spiritual weapons made available to them I will teach you how to effectively employ these weapons I will train you for war so that you might gain the victory in your walk with God win the lost out of darkness and effectively destroy the works of the devil In this way you will begin to truly experience kingdom reality and dominion over the demonic Moreover you will start to be the change agent in your sphere of influence as God uses you to advance His kingdom This will bring a breakthrough in your life and in the lives of others as you learn Weapons Training for Spiritual Warfare and Frontline Ministry

The X-Manual Peter J. Bellini, 2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10:19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a

practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument that helps determine if one needs deliverance Deliverance is essential to the church s New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free

From Angels to Aliens Lynn Schofield Clark,2005-10-27 Harry Potter Buffy the Vampire Slayer and the Left Behind series are but the latest manifestations of American teenagers longstanding fascination with the supernatural and the paranormal In this groundbreaking book Lynn Schofield Clark explores the implications of this fascination for contemporary religious and spiritual practices Relying on stories gleaned from more than 250 in depth interviews with teens and their families Clark seeks to discover what today s teens really believe and why She finds that as adherence to formal religious bodies declines interest in alternative spiritualities as well as belief in superstition grow accordingly Ironically she argues fundamentalist Christian alarmism about the forces of evil has also fed belief in a wider array of supernatural entities Resisting the claim that the media brainwash teens Clark argues that today s popular stories of demons hell and the afterlife actually have their roots in the U S s religious heritage She considers why some young people are nervous about supernatural stories in the media while others comfortably and often unselfconsciously blur the boundaries between those stories of the realm beyond that belong to traditional religion and those offered by the entertainment media At a time of increased religious pluralism and declining participation in formal religious institutions Clark says we must completely reexamine what young people mean and what they may believe when they identify themselves as spiritual or religious Offering provocative insights into how the entertainment media shape contemporary religious ideas and practices From

Angels to Aliens paints a surprising and perhaps alarming portrait of the spiritual state of America's youth **What Brings a Soldier to His Knees** Jerry A. Webster, 2012-04 I have fought the torments of combat and of being a Christian I always questioned myself with God and war many times and felt that I might have something to say that could help someone else going through the life experiences and having the similar questions I have learned that we must work together in Christ to make a difference in life Being a soldier in the United States Army was the life that I knew and wanted I don't regret things of the past in service however I wish peace could happen God does not hold you accountable for doing what you have to do while on the battle field as long as you do it with integrity and a humble heart Through this book I have come to terms with what I once could not face I have been put at ease with many things that once haunted me My prayer is that if you too are in the same situation I was through this book you will find solace This has drawn my family together even more closely because God is good all the time and all the time God is good **The Business of Ministry** Jeff Simmons, 2024-01-02 When Jeff Simmons started in ministry he was surprised at how much of his time involved business Yet business was never a part of his theological education He's not alone Most people in ministry receive little or no training in this area When faced with multiple business decisions and tasks a day leaders can become discouraged or frustrated We need help and guidance to become effective and wise stewards of the money and resources entrusted to us by God Pastor and entrepreneur Jeff Simmons equips you with the training you need to have the greatest kingdom impact When pastors and nonprofit leaders are good at the business side of their ministry more people can be blessed and supported Simmons explores topics such as The Tension between Faith and Business The Importance of Strategic Planning Financial Transparency Resources and Buildings Work and Life Balance Developing a Community and more This book will help every ministry church and nonprofit maximize their resources for greater kingdom impact **The Rescue** Don S. Coffeen, 2010-09 Have you ever read stories of Old Testament heroes and wondered how they had such boldness in their faith As a Christian have you ever considered that you too are a soldier in God's army From the pages of The Rescue Old Testament Boot Camp for a New Testament War comes a handbook on spiritual warfare which will empower men and women of God to charge into engagements with a level courage and faith you may never have thought possible Be transported back in time where Joash a young dedicated foot soldier is on the front lines of the army of Israel as they bravely conquer their foes and take hold of the promised land Through his eyes witness firsthand the struggles and victories hear the voice of each commander as they lead their men against a brutal enemy force Drawing on this narrative author Don S Coffeen relates some of the most amazing Old Testament battles to the issues Christians face today revealing the many lessons that can be gleaned from these historic moments The Rescue Old Testament Boot Camp for a New Testament War delivers your marching orders and instructions for taking back the territory the enemy has gnawed away equipping you with the full arsenal of God so that you can be ready when God calls you to go outside your comfort zone and conquer your own promised land *Takeover, Liberalism In America* Christopher

Committee on Armed Services,1952 *Gods and Arms* Kjell-Åke Nordquist,2013-02-12 This book brings together a variety of perspectives on how religion can be related to violence and war both in a destructive and constructive way Religion can justify and mobilize violence even terrorism or guerilla wars just like political ideology But how is such a link between religion and violent behavior established in the first place How can we go further in understanding this possible connection between religion and war Is religious peace work just the flip side of religious support of war Or can peace work be informed by knowing about how religion promotes violence and war In the search for answers to the puzzle of religion and war it is easy to focus on conflict and war situations but maybe there is as much to learn from peace work as from war studies Therefore this book also analyses religious peace work from different contexts The multifaceted presence of religion in conflict situations whether justifying violence or promoting peace is illustrated in this book using a variety of situations in an enlightening panorama of one of today s must puzzling social connections religion and armed conflict Contributors R Scott Appleby Goran Gunner Mariyahl Hoole Mark Juergensmeyer Anne Kubai Kjell Ake Nordquist Jehan Perera Jennifer Schirmer Nari Senanayake and Maria Smaberg Paths of Dissent Andrew Bacevich,Daniel A.
