American Sniper Chuck Mawhinney:

American Sniper Richard Lyle,2015-02-25 In 1991 Chuck Mawhinney was reluctantly dragged out of anonymity when it was revealed that he held the record among United States Marine Corps snipers with over 103 confirmed kills This story takes a look at the mindset and philosophy of an American Sniper as he is thrown into Arizona territory named as such because of its numerous Wild West style firefights at the height of the Vietnam War

Life of American Snipers: Chris Kyle and the Rest of the Elite Snipers Mark Dawn,2015-02-27 American snipers have gained increased popularity after the production of the movie American Sniper based on the life of Chris Kyle who served as a sharp shooter in Iraq consecutively for about four periods Sharp shooter is the less common term to describe snipers whose role in history started in the World War Famous snipers have since emerged forming part of the elite Navy Seals While some people refer to snipers as cowards because they do seem to not be actively engaged in combat they have been hailed as heroes due to the reduced misses during combat and the flexibility of their attack to rely on stealth American snipers have played a huge role in eliminating some of the terrorists bent on causing terror around the world Snipers are originally meant to increase the chances of winning a war They do this by neutralizing the most dangerous people in war from a concealed distance and thereby serve to provide an advantage to their side

Chris Kyle, America's Most Decorated Sniper Stephen Wilson,2015-02-23 We are given some details including little known ones about the life and exploits of the legendary American sniper Chris Kyle

Sniper of Vietnam War Edgar Wollstone, If there is any job that is the most misconstrued among the masses it is probably that of a sniper A common man cannot be expected to wrap his around the precise technicalities of a sniper nor can he be expected to understand the war diplomacy For him a sniper will be nothing but a glorified hunter But the contributions that a sniper offers to his country are priceless In the US military snipers have a unique place but the name Chuck Mawhinney stands out among for his badass sniping prowess He was one of the most fearsome snipers during the sanguinary Vietnam War with 103 verified kills During his illustrious military sniping career the most memorable and celebrated feat was when Chuck shot 16 victims in just 30 seconds The fact that this phenomenal badassery was achieved at night during relatively bad weather highlights Mawhinney s sniping skills At the time Mawhinney was working in the region code named Arizona Territory A faction of armed North Vietnamese insurgent groups was seen moving towards the US base Due to the exceptionally bad weather the air cover had to retreat Mawhinney couldn t sit on his hands knowing that his marines were under siege He volunteered to provide cover in a river crossing area He carried an M14 semiautomatic rifle and a Starlight scope and went to meet the enemy head on Mawhinney and his spotter stealthily marched along and positioned themselves and within a few hours they saw the NVA approaching At first only a scout had approached the river He noticed the scout signaling the rest of the band to make their move The deafening silence of the night made every move every step discernible As Mawhinney and his spotter lay in the muddy swamp breathing feebly they

saw the entire team slowly cross the river Mawhinney still didn't start shooting. He waited patiently until the men were well inside the water giving them no time at all to scatter. He pulled his trigger from a distance of 25 to 75 meters killing one man after the other in clean precise shots. He fired a salvo of shots at the beleaguered men and got them all in just a span of a few seconds. The men began to retreat when they realized the NVA tried to fire back. *American Snipers* K.A.
