BEYOND TYRANNY & NARCISSISM Benjamin Williams; Michael McKibben, 2010-04-17

History is strewn with examples of failed leadership The book ends for these stories we contend are abusive power and control tyranny on one hand and me narcissism on the other Tyranny gives us such notables as Hitler Stalin Pol Pot Nero and Ivan the Terrible Narcissism gives us Bernard Maddoff Enron Jim Bakker Henry the 8th and Louis the 14th With so many examples of failed leadership why have we not learned our lesson Why do we keep repeating our mistakes The answer lies in human nature Some people lust for power and control over others and if the truth be told others prefer being told what to do because then they don't have to think or take responsibility for their actions being controlled gives them someone to blame Others crave attention and seek the adulation of those around them and like the victims of tyranny those ruled by narcissists prefer a hero figure to adore in good times and blame in bad times Christianity is both belief and practice Therefore it is both critical and the authors argue necessary that the leadership practices of Christians be consistent with the faith What do you do when you've tried the theories and they aren't working You move beyond tyranny and narcissism Where do you go You go to historic Christianity At the heart of the Christian revelation you will discover a timeless organizational model that is founded upon the Holy Trinity and a leadership model incarnated in Jesus Christ both of which are relevant for daily living and decision making no matter what your organization It's time to stop acquiescing to tyranny and narcissism as if things cannot be better It's time to claim the higher ground This takes leadership born of courage strength character discipline and faith It also takes knowing where you want to go The authors provide a well grounded blueprint Beginning with a Trinitarian vision of a communion of persons McKibben and Williams outline in many practical ways how it is possible to make hierarchy and conciliarity complementary aspects of a leadership based on mutual service and accountability If you are disillusioned with organizational church life or simply frustrated at the gap between theology and administration then this book will be a source of hope If you are disillusioned with organizational church life or simply frustrated at the gap between theology and administration then this book will be a source of hope this is a pioneering work Fr John A Jillions Associate Professor Saint Paul University Ottawa Canada Vice President of the Canadian Council of Churches Beyond Tryanny and Narcissism addresses organizational realities that all churches and businesses struggle with and does so from the perspective of the historic Christian faith by drawing on the doctrine of the Holy Trinity and Christ's leadership style It is the best single practical treatment on the Holy Trinity I have read Dr Richard J Mouw President Fuller Theological Seminary

The Quilt Elise Schebler Roberts, Helen Kelley, Sandra Dallas, Jennifer Chiaverini, Jean Ray Laury, Here is the largest most comprehensive history of American quilts ever published The Quilt explores the evolution of

quilting in America showing in vivid colors and patterns how African American Amish Hawaiian Hmong and Native American quilts celebrate cultural identity and how quilts connect us to one another through quilting bees and other community groups. Noted quilt historian Elise Schebler Roberts also goes beyond the historical nature of quilts to cover current efforts at quilt preservation collecting and appraising and state documentation projects. Her book features an encyclopedia of favorite quilt styles and is gloriously illustrated with more than 200 full color photographs of classic collectible quilts. *Community Risk Reduction Principles and Practices* Beverley Walker, 2021-07. *Community Risk Reduction Principles and Practice* is an ideal training solution for fire and emergency services organizations planning to design implement and maintain a community risk reduction program. All members of the organization will benefit including company officers emergency medical services providers and officers fire inspectors fire marshals fire chiefs fire and life safety educators and other community or allied health professionals in community risk reduction. It is also designed for use within fire science programs offering courses on community risk reduction. *Community Risk Reduction Principles and Practice* provides a comprehensive overview of the many components of creating a community risk reduction plan. This textbook examines the history of the fire problem in the United States how that history affected fire and building codes and ultimately how it pushed the fire service profession toward the concept of community risk reduction and the idea that more people are saved from injury or death through prevention and risk reduction than through fire suppression. The text describes the process of identifying and defining a variety of communities including those that are more vulnerable and explains how to identify their specific risks develop a thorough community risk assessment and ultimately create a comprehensive community risk reduction plan. Throughout the text the community risk reduction model developed by the National Fire Academy and the model developed by Vision 20/20 serve as a roadmap. Although the steps in the two models do not align exactly in the end they both describe the same process. The text is presented in five sections. Section 1 Getting Ready for Community Risk Reduction Introduces the concept of community risk reduction Defines community Explains how to identify a variety of communities including those that are at a higher risk of injury or death Describes the role and responsibilities of fire and emergency services in CRR. Section 2 Getting Started with Community Risk Reduction Explains how to conduct a community risk assessment and identify specific risks in the community and subcommunities Describes the factors to consider when prioritizing risks to identify which risks should become part of the community risk reduction plan Describes how to write problem statements goals and objectives that will become part of the risk reduction plan. Section 3 Identifying and Developing CRR Intervention Strategies Describes how to develop strategies for mitigating identified risks Explains how to use Haddon's Matrix to rank identified risks Explains how to use the 5 Es causal chain analysis and cost benefit analysis to create workable risk reduction strategies Describes how to create a workable community risk reduction plan. Section 4 Implementing Risk Reduction Focuses on how to implement the risk reduction plan Explains the importance of establishing and maintaining organizational and community equity so that the

risk reduction plan is supported Provides suggestions for marketing the community risk reduction plan via social marketing social media and social media marketing Explains the importance of pilot testing and monitoring the risk reduction program

Section 5 Keeping It Going Explains the importance of evaluating the risk reduction plan and determining which initiatives in the plan were the most effective and which need to be modified Describes the differences between quantitative and qualitative data and the methods of gathering this data Explains how to use the collected data to evaluate the program and describe the results so that the program can be revised to be more effective in the future Book jacket
