American Sniper Wife Interview:

Taya Kyle, Wife of American Sniper Chris Kyle Jeremy King, Taya Kyle has been there for Chris Kyle in life and death She continues to keep his legacy alive Killer Story Claire St. Amant,2025-02-18 Claire St Amant spent nearly a decade in network television chasing the biggest true crime stories in the country Bringing a true crime story to network television requires quick thinking and tenacious stamina and in her debut memoir Claire offers true crime fans a rare in depth look on the other side of the yellow tape *How White Men Won the Culture Wars* Joseph Darda,2021-05-25 Reuniting white America after Vietnam If war among the whites brought peace and liberty to the blacks Frederick Douglass asked in 1875 peering into the nation s future what will peace among the whites bring The answer then and now after civil war and civil rights a white reunion disguised as a veterans reunion *How White Men Won the Culture Wars* shows how a broad contingent of white men conservative and liberal hawk and dove vet and nonvet transformed the Vietnam War into a staging ground for a post civil rights white racial reconciliation Conservatives could celebrate white vets as deracinated embodiments of the nation Liberals could treat them as minoritized heroes whose voices must be heard Erasing Americans of color Southeast Asians and women from the war white men could agree after civil rights and feminism that they had suffered and deserved more From the POW MIA and veterans mental health movements to Rambo and Born in the U S A they remade their racial identities for an age of color blindness and multiculturalism in the image of the Vietnam vet No one wins in a culture war except Joseph Darda argues white men dressed in army green *The Films of Clint Eastwood* Matt Wanat,Leonard Engel,2018-05-15 The indefatigable Clint Eastwood the great old man of American film is still controversial after all these years Many of the critical essays in this collection focus on Eastwood s 2014 *American Sniper* a particularly controversial film and a devastating personal account of the horrors of war Additional essays within the collection address his films that deserve more recognition than they have received to date The chapters vary by topic and identify themes ranging from aging race and gender to uses of Western conventions and myth to the subtleties of quieter themes and stylistic choices in Eastwood s body of cinematic work As a collection these essays show that none of these themes account for Eastwood s entire vision which is multifaceted and often contradictory dramatizing complex issues in powerful character driven narratives *The War Comes with You* Stacey Peebles,2024-12-12 How do we tell twenty first century war stories when the wars seem to go on forever In the post 2011 surge of war stories published in America and Iraq the defining characteristic is the depiction of combat violence that crosses borders overtakes civilian spaces and disrupts chronology In *The War Comes with You* Enduring War in Life Fiction and Fantasy Stacey Peebles picks up where her groundbreaking first book *Welcome to the Suck* Narrating the American Soldier s Experience in Iraq left off Via careful readings of fiction memoir and poetry by writers such as Ben Fountain Siobhan Fallon Brian Turner and Hassan Blasim as well as recent superhero and Star Wars films Peebles argues that in the face of real and fantasy forever wars things fall apart Language identities bodies and even

the stories themselves fragment These narratives suggest that people need not accept incoherence and there is a range of meaningful responses to the experience of everywhere all the time war Peebles illustrates what to do that is when war comes with you

Blood on Our Hands Nicolas J. S. Davies, 2010 America's crimes against the people of Iraq were shielded from public scrutiny by what senior U S military officers called the quiet disguised media free approach developed in Central America in the 1980s The echo chamber of the Western corporate media fleshed out the Pentagon's propaganda to create a virtual Iraq in the minds of the public feeding a political discourse that bore no relation to the real war it was waging the country it was destroying or the lives of its inhabitants Davies takes apart the wall of propaganda surrounding one of history's most significant military disasters and most serious international crimes non-existent WMDs the equally fictitious centuries old sectarian blood feud in Iraq and the secrecy of the dirty war waged by American led death squads He places each aspect of the war within a context of illegal aggression hostile military occupation and popular resistance to uncover the brutal reality of a war that has probably killed at least a million people From publisher description
