American Mediterranean Southern Slaveholders In The Age Of Emancipation

Alison Clark Efford

American Mediterranean Southern Slaveholders In The Age Of Emancipation:

American Mediterranean Matthew Pratt Guterl, 2008-06-30 How did slave owning Southerners make sense of the transformation of their world in the Civil War era Guterl shows that they looked beyond their borders for answers and examines how the Southern elite connected by travel print culture even the prospect of future conquest with communities of New World slaveholders as they redefined their world

American Mediterraneans Susan Gillman, 2022-05-20 The story of the American Mediterranean both an idea and a shorthand popularized by geographers historians novelists and travel writers from the early nineteenth century to the 1970s The naturalist Alexander von Humboldt visiting the Gulf Caribbean in the early nineteenth century called it America's Mediterranean Almost a century later Southern California was hailed as Our Mediterranean Our Italy Although American Mediterranean is not a household phrase in the United States today it once circulated widely in French Spanish and English as a term of art and folk idiom In this book Susan Gillman asks what cultural work is done by this kind of unsystematic open ended comparative thinking American Mediterraneans tracks two centuries of this geohistorical concept from Humboldt in the early 1800s to writers of the 1890s reflecting on the Pacific world of the California coast to writers of the 1930s and 40s speculating on the political past and future of the Caribbean Following the term through its travels across disciplines and borders American Mediterraneans reveals a little known racialized history one that paradoxically appealed to a range of race neutral ideas and ideals

The Southern Exodus to Mexico Todd W. Wahlstrom, 2015-03 After the Civil War a handful of former Confederate leaders joined forces with the Mexican emperor Maximilian von Hapsburg to colonize Mexico with former American slaveholders Their plan was to develop commercial agriculture in the Mexican state of Coahuila under the guidance of former slaveholders with former slaves providing the bulk of the labor force By developing these new centers of agricultural production and commercial exchange the Mexican government hoped to open up new markets and by extending the few already existing railroads in the region also spur further development The Southern Exodus to Mexico considers the experiences of both white southern elites and common white and black southern farmers and laborers who moved to Mexico during this period Todd W Wahlstrom examines in particular how the endemic warfare raids and violence along the borderlands of Texas and Coahuila affected the colonization effort Ultimately Native groups such as the Comanches Kiowas Apaches and Kickapoos along with local Mexicans prevented southern colonies from taking hold in the region where local tradition and careful balances of power negotiated over centuries held more sway than large nationalistic or economic forces This study of the transcultural tensions and conflicts in this region provides new perspectives for the historical assessment of this period of Mexican and American history

Rethinking American Grand Strategy Elizabeth Borgwardt, Christopher McKnight Nichols, Andrew Preston, 2021 A wide ranging rethinking of the many factors that comprise the making of American Grand Strategy What is grand strategy What does it aim to achieve And what differentiates it from normal strategic thought what in other words makes it grand In

answering these questions most scholars have focused on diplomacy and warfare so much so that grand strategy has become almost an equivalent of military history The traditional attention paid to military affairs is understandable but in today's world it leaves out much else that could be considered political and therefore strategic It is in fact possible to consider and even reach a more capacious understanding of grand strategy one that still includes the battlefield and the negotiating table while expanding beyond them Just as contemporary world politics is driven by a wide range of non military issues the most thorough considerations of grand strategy must consider the bases of peace and security including gender race the environment and a wide range of cultural social political and economic issues **Rethinking American Grand Strategy** assembles a roster of leading historians to examine America's place in the world Its innovative chapters re-examine familiar figures such as John Quincy Adams George Kennan and Henry Kissinger while also revealing the forgotten episodes and hidden voices of American grand strategy They expand the scope of diplomatic and military history by placing the grand strategies of public health race gender humanitarianism and the law alongside military and diplomatic affairs to reveal hidden strategists as well as strategies

A Companion to American Literary Studies Caroline F. Levander, Robert S. Levine, 2015-08-17 A Companion to American Literary Studies addresses the most provocative questions subjects and issues animating the field Essays provide readers with the knowledge and conceptual tools for understanding American literary studies as it is practiced today and chart new directions for the future of the subject Offers up to date accounts of major new critical approaches to American literary studies Presents state of the art essays on a full range of topics central to the field Essays explore critical and institutional genealogies of the field increasingly diverse conceptions of American literary study and unprecedented material changes such as the digital revolution A unique anthology in the field and an essential resource for libraries faculty graduate students and advanced undergraduates

Teaching and Studying the Americas A. Pinn, C. Levander, 2010-11-08 This book considers how interdisciplinary conversation critique and collaboration enrich and transform humanities and social science education for those teaching and studying traditional Americanist fields

Connecting Seas and Connected Ocean Rims, 2011-04-11 Long distance migration of peoples have been a central if little understood factor in global integration The essays in this collection contribute to a new history of world migrations written by specialists of particular areas of the world Collectively these essays point towards a shift from the regional migrations of individual seas and oceans of the early modern era toward nineteenth century labor migrations that connected the Pacific and Indian to the Atlantic Oceans Detailed case studies demonstrate the importance of human migration in the development consolidation and critique of empire building theories of race modern capitalism and large scale commercial agriculture and industry on every continent

Continent in Crisis Jewel L. Spangler, Frank Towers, 2023-01-03 Written by leading historians of the mid nineteenth century United States this book focuses on the continental dimensions of the U S Civil War It joins a growing body of scholarship that seeks to understand the place of America's mid nineteenth century crisis in the broader sweep of world

history However unlike other studies that have pursued the Civil War's connections with Europe and the Caribbean this volume focuses on North America particularly Mexico British Canada and sovereign indigenous states in the West As the United States went through its Civil War and Reconstruction Mexico endured its own civil war and then waged a four year campaign to expel a French imposed monarch Meanwhile Britain's North American colonies were in complex and contested negotiations that culminated in confederation in 1867 In the West indigenous nations faced an onslaught of settlers and soldiers seeking to conquer their lands for the United States Yet despite this synchronicity mainstream histories of the Civil War mostly ignore its connections to the political upheaval occurring elsewhere in North America By reading North America into the history of the Civil War this volume shows how battles over sovereignty in neighboring states became enmeshed with the fratricidal conflict in the United States Its contributors explore these entangled histories in studies ranging from African Americans fleeing U S slavery by emigrating to Mexico to Confederate privateers finding allies in Halifax Nova Scotia This continental perspective highlights the uncertainty of the period when the fate of old nations and possibilities for new ones were truly up for grabs

Hemispheric Regionalism Gretchen J. Woertendyke, 2016 Hemispheric Regionalism Romance and the Geography of Genre brings together a rich archive of popular culture fugitive slave narratives advertisements political treatises and literature to construct a new literary history from a hemispheric and regional perspective Liquid Landscape Michele Currie Navakas, 2018 In Liquid Landscape Michele Currie Navakas analyzes the history of Florida's incorporation alongside the development of new ideas of personhood possession and political identity within American letters from early American novels travel accounts and geography textbooks to settlers guides maps natural histories and land surveys

American Slavery, Atlantic Slavery, and Beyond Enrico Dal Lago, 2015-12-22 American Slavery Atlantic Slavery and Beyond provides an up to date summary of past and present views of American slavery in international perspective and suggests new directions for current and future comparative scholarship It argues that we can better understand the nature and meaning of American slavery and antislavery if we place them clearly within a Euro American context Current scholarship on American slavery acknowledges the importance of the continental and Atlantic dimensions of the historical phenomenon comparing it often with slavery in the Caribbean and Latin America However since the 1980s a handful of studies has looked further and has compared American slavery with European forms of unfree and nominally free labor Building on this innovative scholarship this book treats the U S peculiar institution as part of both an Atlantic and a wider Euro American world It shows how the Euro American context is no less crucial than the Atlantic one in understanding colonial slavery and the American Revolution in an age of global enlightenment reformism and revolutionary upheavals the Cotton Kingdom's heyday in a world of systems of unfree labor and the making of radical Abolitionism and the occurrence of the American Civil War at a time when nationalist ideologies and nation building movements were widespread

Heterosexual Histories Rebecca L. Davis, Michele Mitchell, 2021-02-09 The history of heterosexuality in North America

across four centuries Heterosexuality is usually regarded as something inherently natural but what is heterosexuality and how has it taken shape across the centuries By challenging ahistorical approaches to the heterosexual subject Heterosexual Histories constructs a new framework for the history of heterosexuality examining unexplored assumptions and insisting that not only sex but race class gender age and geography matter to its past Each of the fourteen essays in this volume examines the history of heterosexuality from a different angle seeking to study this topic in a way that recognizes plurality divergence and inequity Editors Rebecca L Davis and Michele Mitchell have formed a collection that spans four centuries addressing the many different racial groups geographies and subcultures of heterosexuality in North America The essays range across disciplines with experts from various fields examining heterosexuality from unique perspectives a historian shows how defining heterosexuality sex and desire were integral to the formation of British America and the process of colonization a legal scholar examines the connections between race sexual citizenship and nonmarital motherhood a gender studies expert analyzes the Clinton Lewinsky scandal and explores the intersections of heterosexuality with shame and second wave feminism Together these essays explain how differently earlier Americans understood the varieties of gender and different sex sexuality how heterosexuality emerged as a dominant way of describing gender and how openly many people acknowledged and addressed heterosexuality s fragility By contesting presumptions of heterosexuality s stability or consistency Heterosexual Histories opens the historical record to interrogations of the raced classed and gendered varieties of heterosexuality and considers the implications of heterosexuality s multiplicities and changes Providing both a sweeping historical survey and concentrated case studies Heterosexual Histories is a crucial addition to the field of sexuality studies

German Immigrants, Race, and Citizenship in the Civil War Era Alison Clark Efford, 2013-05-20 This study reframes Civil War era history arguing that the Franco Prussian War contributed to a dramatic pivot in Northern commitment to African American rights *The War That Made America* Caroline E. Janney, Peter S. Carmichael, Aaron Sheehan-Dean, 2024-03-19 This collection of original essays reveals the richness and dynamism of contemporary scholarship on the Civil War era Inspired by the lines of inquiry that animated the writings of the influential historian Gary W Gallagher this volume includes nine essays by leading scholars in the field who explore a broad range of themes and participants in the nation s greatest conflict from Indigenous communities navigating the dangerous shoals of the secession winter to Confederate guerrillas caught in the legal snares of the Union s hard war to African Americans pursuing landownership in the postwar years Essayists also explore how people contested and shaped the memory of the conflict from outright silences and evasions to the use of formal historical writing Other contributors use comparative and transnational history to rethink key aspects of the conflict The result is a thorough examination of Gallagher s scholarly legacy and an assessment of the present and future of the Civil War history field Contributors are William A Blair Peter S Carmichael Andre M Fleche Wayne Wei siang Hsieh Caroline E Janney Peter C Luebke Cynthia Nicoletti Aaron Sheehan Dean and Kathryn J Shively **Journal**

of the Civil War Era William A. Blair, 2012-06-01 The Journal of the Civil War Era Volume 2 Number 2 June 2012 TABLE OF CONTENTS New Approaches to Internationalizing the History of the Civil War Era A Special Issue Editor's Note William Blair Articles W Caleb McDaniel Bethany L Johnson New Approaches to Internationalizing the History of the Civil War An Introduction Gale L Kenny Manliness and Manifest Racial Destiny Jamaica and African American Emigration in the 1850s Edward B Rugemer Slave Rebels and Abolitionists The Black Atlantic and the Coming of the Civil War Peter Kolchin Comparative Perspectives on Emancipation in the U S South Reconstruction Radicalism and Russia Susan Mary Grant The Lost Boys Citizen Soldiers Disabled Veterans and Confederate Nationalism in the Age of People's War Book Reviews Books Received Professional Notes Mark W Geiger Follow the Money Notes on Contributors The Journal of the Civil War Era takes advantage of the flowering of research on the many issues raised by the sectional crisis war Reconstruction and memory of the conflict while bringing fresh understanding to the struggles that defined the period and by extension the course of American history in the nineteenth century Slavery, Mobility, and Networks in Nineteenth-Century Cuba Daylet Domínguez, Victor Goldgel Carballo, 2023-09-06 With a focus on nineteenth century Cuba this volume examines understudied forms of mobility and networks that emerged during Second Slavery After being forcibly taken across the Atlantic enslaved Africans were moved within Cuba and sometimes sold to owners in other Caribbean islands or the U S South The chapters included in this book written by historians and literary critics pay special attention to debates between abolitionists and proslavery ideologues the ways in which people and ideas moved from the countryside to the city from one Caribbean Island to the next and from the United States or the coasts of West Africa to the sugarcane fields They examine how enslaved persons ran away or were captured and coerced to relocate how they mobilized information and ideas to ameliorate their situation and how they were used to advance other people's interests Movement these chapters show was regularly deployed to reinforce enslavement and the suppression of rights while at times helping people in their struggle for freedom This book will be a great resource for academics researchers and advanced students of Latin American Literature Global Slavery and Postcolonial Studies The chapters were originally published in the journal Atlantic Studies Global Currents *The Transnational Significance of the American Civil War* Jörg Nagler, Don H. Doyle, Marcus Gräser, 2016-10-05 This volume of pioneering essays brings together an impressive array of well established and emerging historians from Europe and the United States whose common endeavor is to situate America's Civil War within the wider framework of global history These essays view the American conflict through a fascinating array of topical prisms that will take readers beyond the familiar themes of U S Civil War history They will also take readers beyond the national boundaries that typically confine our understanding of this momentous conflict The history of America's Civil War has typically been interpreted within a familiar national narrative focusing on the internal discord between North and South over the future of slavery in the United States

The Long American Revolution & Its Legacy Lester D. Langley, 2019 This book brings together the author's personal

and professional link to the long American Revolution in a narrative that spans more than 150 years and places the Revolution in multiple contexts from the local to the transatlantic and hemispheric and from racial and gendered to political social economic and cultural perspectives A descendant on his father s side from a long line of Kentuckians the author grew up torn between a father who embodied the Revolution s poor white male driven by economic self interest and racial prejudices and a devoted and pious mother who saw life and history as a morality play The author s intellectual and professional encounter with the American Revolution came in the 1960s as a young historian specializing in U S foreign relations and Latin American history an era when the U S encounter with the Cuban Revolution in the hemisphere and the civil rights movement at home served as reminders of the lasting and troublesome legacy of a long American Revolution In a sweeping narrative that incorporates both the traditional iconic literature on the Revolution and more recent works in U S Canadian Latin American Caribbean and Atlantic world history the author addresses fundamental questions about the Revolution s meaning and legacy

Building an American Empire Paul Frymer, 2019-07-16 How American westward expansion was governmentally engineered to promote the formation of a white settler nation Westward expansion of the United States is most conventionally remembered for rugged individualism geographic isolationism and a fair amount of luck Yet the establishment of the forty eight contiguous states was hardly a foregone conclusion and the federal government played a critical role in its success This book examines the politics of American expansion showing how the government s regulation of population movements on the frontier both settlement and removal advanced national aspirations for empire and promoted the formation of a white settler nation Building an American Empire details how a government that struggled to exercise plenary power used federal land policy to assert authority over the direction of expansion by engineering the pace and patterns of settlement and to control the movement of populations At times the government mobilized populations for compact settlement in strategically important areas of the frontier at other times policies were designed to actively restrain settler populations in order to prevent violence international conflict and breakaway states Paul Frymer examines how these settlement patterns helped construct a dominant racial vision for America by incentivizing and directing the movement of white European settlers onto indigenous and diversely populated lands These efforts were hardly seamless and Frymer pays close attention to the failures as well from the lack of further expansion into Latin America to the defeat of the black colonization movement Building an American Empire reveals the lasting and profound significance government settlement policies had for the nation both for establishing America as dominantly white and for restricting broader aspirations for empire in lands that could not be so racially engineered

Forgotten Futures, Colonized Pasts Cara Anne Kinnally, 2019-05-17 Forgotten Futures Colonized Pasts traces the existence of a now largely forgotten history of inter American alliance making transnational community formation and intercultural collaboration between Mexican and Anglo American elites This communion between elites was often based upon Mexican elites own acceptance and reestablishment of

problematic socioeconomic cultural and ethno racial hierarchies that placed them above other groups the poor working class indigenous or Afro Mexicans for example within their own larger community of Greater Mexico Using close readings of literary texts such as novels diaries letters newspapers political essays and travel narratives produced by nineteenth century writers from Greater Mexico *Forgotten Futures Colonized Pasts* brings to light the forgotten imaginings of how elite Mexicans and Mexican Americans defined themselves and their relationship with Spain Mexico the United States and Anglo America in the nineteenth century These lost discourses long ago written out of official national narratives and discarded as unrealized or impossible avenues for identity and nation formation reveal the rifts fractures violence and internal colonizations that are a foundational but little recognized part of the history and culture of Greater Mexico Published by Bucknell University Press Distributed worldwide by Rutgers University Press

American Mediterranean Southern Slaveholders In The Age Of Emancipation Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free American Mediterranean Southern Slaveholders In The Age Of Emancipation PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free American Mediterranean Southern Slaveholders In

The Age Of Emancipation PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of American Mediterranean Southern Slaveholders In The Age Of Emancipation free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About American Mediterranean Southern Slaveholders In The Age Of Emancipation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. American Mediterranean Southern Slaveholders In The Age Of Emancipation is one of the best book in our library for free trial. We provide copy of American Mediterranean Southern Slaveholders In The Age Of Emancipation in digital format, so the resources that you find are reliable. There are also many Ebooks of related with American Mediterranean Southern Slaveholders In The Age Of Emancipation. Where to download American Mediterranean Southern Slaveholders In The Age Of Emancipation online for free? Are you looking for American Mediterranean Southern Slaveholders In The Age Of Emancipation PDF? This is definitely going to save you time and cash in something you should think about.
