Alexander Hamilton And The Persistence Of Myth American Political Thought

Robert M. S. McDonald

Alexander Hamilton And The Persistence Of Myth American Political Thought:

Alexander Hamilton and the Persistence of Myth Stephen F. Knott, 2002 Knott observes that Thomas Jefferson and his followers and later Andrew Jackson and his adherents tended to view Hamilton and his principles as un-American. While his policies generated mistrust in the South and the West where he is still seen as the founding plutocrat, Hamilton was revered in New England and parts of the mid-Atlantic states. Hamilton's image as a champion of American nationalism caused his reputation to soar during the Civil War at least in the North. However, in the wake of Gilded Age excesses, progressive and populist political leaders branded Hamilton as the patron saint of Wall Street and his reputation began to disintegrate.

BOOK JACKET Alexander Hamilton and the Persistence of Myth Stephen F. Knott, 2002-02-15 Alexander Hamilton and the Persistence of Myth explores the shifting reputation of our most controversial founding father. Since the day Aaron Burr fired his fatal shot, Americans have tried to come to grips with Alexander Hamilton's legacy. Stephen Knott surveys the Hamilton image in the minds of American statesmen, scholars, literary figures, and the media, explaining why Americans are content to live in a Hamiltonian nation but reluctant to embrace the man himself. Knott observes that Thomas Jefferson and his followers and later Andrew Jackson and his adherents tended to view Hamilton and his principles as un-American. While his policies generated mistrust in the South and the West where he is still seen as the founding plutocrat, Hamilton was revered in New England and parts of the Mid-Atlantic states. Hamilton's image as a champion of American nationalism caused his reputation to soar during the Civil War at least in the North. However, in the wake of Gilded Age excesses, progressive and populist political leaders branded Hamilton as the patron saint of Wall Street and his reputation began to disintegrate. Hamilton's status reached its nadir during the New Deal. Knott argues when Franklin Roosevelt portrayed him as the personification of Dickensian cold-heartedness. When FDR erected the beautiful Tidal Basin monument to Thomas Jefferson and thereby elevated the Sage of Monticello into the American Pantheon, Hamilton as Jefferson's nemesis fell into disrepute. He came to epitomize the forces of reaction, contemptuous of the great beast, the American people. In showing how the prevailing negative assessment misrepresents the man and his deeds, Knott argues for reconsideration of Hamiltonianism, which rightly understood, has much to offer the American polity of the twenty-first century. Remarkably, at the dawn of the new millennium, the nation began to see Hamilton in a different light. Hamilton's story was now the embodiment of the American dream: an impoverished immigrant who came to the United States and laid the economic and political foundation that paved the way for America's superpower status. Here, in Stephen Knott's insightful study, Hamilton finally gets his due as a highly contested but powerful and positive presence in American national life.

American Political Thought Morton J. Frisch, Richard G. Stevens, The Second World War was a crisis not just for America but for the whole of Western Civilization and in the wake of that war a new crisis arose which came to be called the Cold War. Just when that gave the appearance of being resolved, the world reached a new juncture, a new crisis which Samuel P. Huntington dubbed the clash of civilizations. The statesmen having

political responsibility in confronting the first three crises in America's history came as close to philosophic grasp of the problems of liberal democracy as one could demand from those embroiled in the active resolution of events. Their reflection of political philosophy in the full sense informed their actions. *Henry Cabot Lodge, Alexander Hamilton and the Political Thought of the Gilded Age* H.G. Callaway, 2018-11-23 We are currently witnessing a renewal of broad public interest in the life and career of Alexander Hamilton justly famed as an American founder. This volume examines the possible present day significance of the man noting that this is not the first revival of interest in the statesman. Hamilton was a major background figure in the GOP politics of the Gilded Age with the powerful US Senator Henry Cabot Lodge Sr drawing on Hamilton to inspire a new assertive American role in the world. Hamilton was first prominent as a soldier and aide to General Washington and believed in centralization of power in the federal government and an energetic presidency. He founded the American financial system as the first Secretary of the Treasury and was a great moving force of America's first nationalist conservative party the Federalists. As shown here, close scholarly attention to Lodge's biography brings out the darker sides of the celebrated hero. Hamilton's deeper conviction was the need of an elitist aristocratic republic and he was an advocate of military commercial empire. The Gilded Age Hamilton revival helped inspire the Spanish American war of 1898 and an American overseas empire. This book will be of interest for students and professionals in political philosophy, political science, American history and American studies. **American Political Thought** Richard Stevens, 2017-07-05 This book focuses on the political thought of American statesmen. These statesmen have had consistent and comprehensive views of the good of the country and their actions have been informed by those views. The editors argue that political life in America has been punctuated by three great crises in its history: the crisis of the Founding, the crisis of the House Divided, and the crisis of the Great Depression. The Second World War was a crisis not just for America but for the whole of Western Civilization and in the wake of that war a new crisis arose which came to be called the Cold War. Just when that gave the appearance of being resolved, the world reached a new juncture, a new crisis which Samuel P. Huntington dubbed the clash of civilizations. The statesmen having political responsibility in confronting the first three crises in America's history came as close to philosophic grasp of the problems of liberal democracy as one could demand from those embroiled in the active resolution of events. Their reflection of political philosophy in the full sense informed their actions. Since we cannot confidently explain the future, Aristotle warned us to call no man happy while he still lives. Thus the book in its third edition keeps to its settled pattern of dealing with settled matters. The preface to the third edition confronts the three later crises and to the extent consistent with truth attempts to relate them to the first three. [The Political Philosophy of Alexander Hamilton](#) Michael P. Federici, 2012-07-09 Introduction Hamilton's significance The personal background of a political theorist Hamilton's philosophical anthropology Theoretical foundations of constitutionalism Hamilton and American constitutional formation Hamilton's foreign policy Hamilton's political economy Hamilton and Jefferson Conclusion Hamilton's legacy **American**

Machiavelli John Lamberton Harper, 2004-03-08 Alexander Hamilton rose from his humble beginnings as an illegitimate West Indian orphan and emigrant to become the premier statebuilder and strategic thinker of the American Founding generation This is the first detailed narrative study of his foreign policy role and ideas to appear in more than thirty years It focuses on Hamilton's controversial activities as a key member of President George Washington's cabinet and as an aspiring military leader in the 1790s a decade of profound division over the shape and powers of the Federal government and US policy toward the warring powers of Europe Drawing parallels between Hamilton and the Florentine diplomatist and thinker Niccol Machiavelli prize winning historian John Lamberton Harper offers an insightful and accessible account of the origins of Hamilton's outlook his bitterly personal rivalries with Thomas Jefferson and John Adams and his indispensable part in designing and implementing US foreign policy

Creative Conflict in African American Thought Wilson Jeremiah Moses, 2004-05-10 Building upon his previous work and using Richard Hofstadter's *The American Political Tradition* as a model Professor Moses has revised and brought together in this book essays that focus on the complexity of and contradictions in the thought of five major African American intellectuals Frederick Douglass Alexander Crummell Booker T Washington W E B DuBois and Marcus M Garvey In doing so he challenges both popular and scholarly conceptions of them as villains or heroes In analyzing the intellectual struggles and contradictions of these five dominant personalities with regard to individual morality and collective reform Professor Moses shows how they contributed to strategies for black improvement and puts them within the context of other currents of American thought including Jeffersonian and Jacksonian democracy Social Darwinism and progressivism

John Jay and Alexander Hamilton on Black Enslavement Arthur Scherr, 2025-01-10 In this groundbreaking study Arthur Scherr examines the positions on slavery held by two of the most famous New Yorkers of the early American Republic John Jay and Alexander Hamilton Using Hamilton's 1779 proposal to free Southern slaves on the condition that they fight in the Continental Army as a starting point Scherr assesses the pair's positions on enslavement Utilizing often untouched resources Scherr offers a re-evaluation of Hamilton and Jay's modern status as antislavery icons

Alexander Hamilton's Public Administration Richard T. Green, 2019-04-09 Examines how Hamilton's thoughts and experiences about public administration theory and practice have shaped the nation American public administration inherited from Alexander Hamilton a distinct republican framework through which we derive many of our modern governing standards and practices His administrative theory flowed from his republican vision prescribing not only the how of administration but also what should be done and why Administration and policy merged seamlessly in his mind each conditioning the other His Anti-Federalist detractors clearly saw this and fought his vision tooth and nail That conflict endures to this day because Americans still have not settled on just one vision of the American republic That is why Richard Green argues Hamilton is a pivotal figure in our current reckoning If we want to more fully understand ourselves and our ways of governing today we must start by understanding Hamilton and we cannot do that without exploring his

administrative theory and practice in depth Alexander Hamilton's Public Administration considers Hamilton both as a founder of the American republic steeped in the currents of political philosophy and science of his day and as its chief administrative theorist and craftsman deeply involved in establishing the early institutions and policies that would bring his interpretation of the written Constitution to life Accordingly this book addresses the complex mix of classical and modern ideas that informed his vision of a modern commercial and administrative republic the administrative ideas institutions and practices that flowed from that vision and the substantive policies he deemed essential to its realization Green's analysis grows out of an immersion in Hamilton's extant papers including reports letters pamphlets and essays Readers will find a comprehensive explanation of his theoretical contributions and a richly detailed account of his ideas and practices in historical context

Political Thought in America Philip Abbott, 2009-10-22 Political Thought in America is based on the idea that there are three major languages or traditions of discourse that Americans have employed to interpret the national experience biblical thought republicanism and liberalism interpreted through the lens of two other languages conservatism and radicalism The authors engaging style brings the American political experience to life with clarity and vision immersing readers into the politics surrounding eleven great crises in our nation's history Through the eyes of philosophers writers and orators of each period and the voices of commentators both historical and current political theories are outlined in the context of the debates and conversations of the men and women who have struggled to extricate the nation from crisis New to the fourth edition are an analysis of the impact of Barack Obama on contemporary American political discourse recent developments in the war on terror and a section on gay and lesbian protest A new chapter has been added that discusses the phenomenon of globalization and its challenge to American exceptionalism As in previous editions each chapter ends with an insightful author commentary and contains an up to date and comprehensive bibliographical essay along with a list of major works for each period

The Many Faces of Alexander Hamilton Douglas Ambrose, Robert W. T. Martin, 2006-04-01 This anthology presents a variety of scholarly perspectives on the nation's most enigmatic Founding Father Revolutionary War officer co author of the Federalist Papers our first Treasury Secretary Thomas Jefferson's nemesis and victim of a fatal duel with Aaron Burr Alexander Hamilton's legacy is complex multifaceted and difficult to pin down On the one hand Hamilton was the quintessential Founding Father playing a central role in every key debate and event in the Revolutionary and Early Republic eras On the other hand he has received far less popular and scholarly attention than his brethren Was Hamilton a closet monarchist or a sincere republican A victim of partisan politics or one of its most active promoters A lackey for British interests or a foreign policy mastermind The Many Faces of Alexander Hamilton addresses these and other perennial questions Leading Hamilton scholars both historians and political scientists alike present fresh evidence and new sometimes competing interpretations of the man his thought and the legacy he has had on America and the world

James Madison and the Spirit of Republican Self-Government Colleen A. Sheehan, 2009-01-12 Sheehan argues that Madison's vision for

the new nation was informed by the idea of republican self government **The Pursuit of Liberty** Jeffrey Rosen, 2025-10-21 The bestselling author of *The Pursuit of Happiness* shows how the opposing constitutional visions of Thomas Jefferson and Alexander Hamilton have defined our country for 250 years influenced presidents from Washington to Trump and continue to drive the debate over the power of government today In *The Pursuit of Liberty* bestselling author and president of the National Constitution Center Jeffrey Rosen explores the clashing visions of Hamilton and Jefferson about how to balance liberty and power in a debate that continues to define and divide our country Jefferson championed states rights and individual liberties while Hamilton pushed for a strong Federal government and a powerful executive This ongoing tug of war has shaped all the pivotal moments in American history including Abraham Lincoln s fight against slavery and southern secession the expansion of federal power under Franklin Roosevelt s New Deal and Ronald Reagan s and Donald Trump s conservative push to shrink the size of the federal government Rosen also shows how Hamilton and Jefferson s disagreement over how to read the Constitution has shaped landmark debates in Congress and the Supreme Court about executive power from John Marshall s early battles with Andrew Jackson to the current divisions among the justices on issues from presidential immunity to control over the administrative state More than ever the clash between Hamiltonian and Jeffersonian ideals resonates today in our most urgent national debates over the question of whether modern presidents are consolidating power and subverting the Constitution the very threat to American democracy that both Hamilton and Jefferson were determined to avoid *The Pursuit of Liberty* is a compelling history of the opposing forces that have shaped our country since its founding and the ongoing struggle to define the balance between liberty and power *America, History and Life*, 2004 Article abstracts and citations of reviews and dissertations covering the United States and Canada *America's Founding and the Struggle over Economic Inequality* Clement Fatovic, 2014-12-04 If as many allege attacking the gap between rich and poor is a form of class warfare then the struggle against income inequality is the longest running war in American history To defenders of the status quo who argue that the accumulation of wealth free of government intervention is an essential feature of the American way this book offers a forceful answer While many of those who oppose addressing economic inequality through public policy today do so in the name of freedom Clement Fatovic demonstrates that concerns about freedom informed the Founding Fathers arguments for public policy that tackled economic disparities Where contemporary arguments against such government efforts conceptualize freedom in economic terms however those supporting public policies conducive to greater economic equality invoked a more participatory republican conception of freedom As many of the Founders understood it economic independence which requires a wide if imperfect distribution of property is a precondition of the political independence they so profoundly valued Fatovic reveals a deep concern among the Founders including Thomas Jefferson Thomas Paine and Noah Webster about the impact of economic inequality on political freedom *America s Founding and the Struggle over Economic Inequality* traces this concern through many important political

debates in Congress and the broader polity that shaped the early Republic debates over tax policies public works public welfare and the debt from the Revolution We see how Alexander Hamilton so often characterized as a cold hearted apologist for plutocrats actually favored a more progressive system of taxation along with various policies aimed at easing the economic hardship of specific groups In Thomas Paine frequently portrayed as an advocate of laissez faire government we find a champion of a comprehensive welfare state that would provide old age pensions public housing and a host of other benefits as a matter of right not charity Contrary to the picture drawn by so many of today s pundits and politicians this book shows us how for the first American statesmen preventing or minimizing economic disparities was essential to the preservation of the new nation s freedom and practice of self government

The Founding Fathers Richard B. Bernstein, 2015 This concise and elegant contribution to the Very Short Introduction series reintroduces the history that shaped the founding fathers the history that they made and what history has made of them The book provides a context within which to explore the world of Washington Franklin Jefferson Adams and Hamilton as well as their complex and still controversial achievements and legacies

Fighting Over the Founders Andrew M. Schocket, 2015-01-23 Explores how politicians screenwriters activists biographers jurists museum professionals and reenactors portray the American Revolution The American Revolution is all around us It is pictured as big as billboards and as small as postage stamps evoked in political campaigns and car advertising campaigns relived in museums and revised in computer games As the nation s founding moment the American Revolution serves as a source of powerful founding myths and remains the most accessible and most contested event in US history more than any other it stands as a proxy for how Americans perceive the nation s aspirations Americans increased fascination with the Revolution over the past two decades represents more than interest in the past It s also a site to work out the present and the future What are we using the Revolution to debate In *Fighting over the Founders* Andrew M Schocket explores how politicians screenwriters activists biographers jurists museum professionals and reenactors portray the American Revolution Identifying competing essentialist and organicist interpretations of the American Revolution Schocket shows how today s memories of the American Revolution reveal Americans conflicted ideas about class about race and about gender as well as the nature of history itself *Fighting over the Founders* plumbs our views of the past and the present and illuminates our ideas of what United States means to its citizens in the new millennium

Sons of the Father Robert M. S. McDonald, 2013-09-24 Whether acting as a military officer or civilian officeholder George Washington did not possess a reputation for glad handing easy confidences or even much warmth His greatest attributes as a commander might well have been his firm command over his own emotions and the way in which he held himself above if not apart from the men he led Understanding the full range of Washington s leadership which embraced all shades of persuasion and coercion as well as multiple modes of command and solicitude requires the examination of his influence on the lives careers and characters of the members of a diverse fraternity of younger men In *Sons of the Father* leading scholars analyze

Washington's relationships with men such as Daniel Morgan, Anthony Wayne, Thomas Jefferson, James Monroe, Henry Knox, Nathanael Greene, Gouverneur Morris, Alexander Hamilton, and the Marquis de Lafayette. The men on whom this volume focuses were not all his closest associates. Yet all are important figures in that their interactions with Washington provide glimpses into various aspects of his capacities for management, motivation, control, and the cultivation of talent. The essays in this volume demonstrate Washington's consistency in treating all these men differently for different reasons at different times. It was perhaps part of his genius to recognize the individuality of the men with whom he interacted as well as the shifting requirements of changing circumstances.

Party Government E. Schattschneider, 2017-09-08

What do we need to know about political parties in order to understand them? In his classic study, E. E. Schattschneider delineates six crucial points. A political party is an organized attempt to get control of the government. Parties live in a highly competitive world. The major parties manage to maintain their supremacy over the minor parties. The internal processes of the parties have not generally received the attention they deserve in treatises on American politics. The party is a process that has grown up about elections. And perhaps most important of all is the distribution of power within the party organization. But *Party Government* is not just about political parties. At its heart is the theory and practice of modern democracy, and it is the most cited, controversial, and probably single most influential study of political parties ever written. Schattschneider questions the purpose of government, who rules, and how government should be organized consistent with its fundamental purpose, which are the enduring fault lines of American democracy. He takes the reader through a thorough and penetrating examination of political parties and the American government. Starting with a historical overview and defense of parties, Schattschneider offers a searing analysis of politics itself, with special focus on the number of interest groups both affecting and affected by government. He describes the various types of political organizations: major parties, pressure groups, and minor parties, and offers a study of the two-party character of the American system. Sidney A. Pearson Jr. offers a strikingly original new introduction about E. E. Schattschneider and his contribution to political science. Gracefully and wittily written, *Party Government* is mandatory reading for students and scholars of political science, government, and American political theory.

This Captivating Realm of Kindle Books: A Detailed Guide Revealing the Benefits of Kindle Books: A Realm of Ease and Flexibility Kindle books, with their inherent mobility and simplicity of access, have freed readers from the limitations of hardcopy books. Gone are the days of carrying cumbersome novels or meticulously searching for specific titles in bookstores. Kindle devices, stylish and portable, effortlessly store an extensive library of books, allowing readers to immerse in their favorite reads whenever, everywhere. Whether commuting on a busy train, lounging on a sunny beach, or just cozying up in bed, E-book books provide an exceptional level of ease. A Literary Universe Unfolded: Exploring the Vast Array of Kindle Alexander Hamilton And The Persistence Of Myth American Political Thought Alexander Hamilton And The Persistence Of Myth American Political Thought The E-book Store, a digital treasure trove of literary gems, boasts an wide collection of books spanning diverse genres, catering to every readers preference and preference. From gripping fiction and thought-provoking non-fiction to timeless classics and modern bestsellers, the E-book Shop offers an unparalleled abundance of titles to explore. Whether seeking escape through immersive tales of imagination and adventure, diving into the depths of historical narratives, or expanding ones knowledge with insightful works of science and philosophy, the Kindle Store provides a gateway to a bookish universe brimming with limitless possibilities. A Revolutionary Force in the Bookish Scene: The Lasting Impact of E-book Books Alexander Hamilton And The Persistence Of Myth American Political Thought The advent of E-book books has unquestionably reshaped the bookish scene, introducing a paradigm shift in the way books are published, disseminated, and read. Traditional publication houses have embraced the digital revolution, adapting their approaches to accommodate the growing demand for e-books. This has led to a surge in the accessibility of Kindle titles, ensuring that readers have access to a vast array of literary works at their fingers. Moreover, E-book books have democratized access to books, breaking down geographical barriers and providing readers worldwide with equal opportunities to engage with the written word. Irrespective of their place or socioeconomic background, individuals can now immerse themselves in the intriguing world of books, fostering a global community of readers. Conclusion: Embracing the E-book Experience Alexander Hamilton And The Persistence Of Myth American Political Thought Kindle books Alexander Hamilton And The Persistence Of Myth American Political Thought, with their inherent convenience, flexibility, and wide array of titles, have certainly transformed the way we encounter literature. They offer readers the liberty to discover the limitless realm of written expression, whenever, anywhere. As we continue to navigate the ever-evolving digital scene, E-book books stand as testament to the enduring power of storytelling, ensuring that the joy of reading remains accessible to all.

Alexander Hamilton And The Persistence Of Myth American Political Thought Introduction

In the digital age, access to information has become easier than ever before. The ability to download Alexander Hamilton And The Persistence Of Myth American Political Thought has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Alexander Hamilton And The Persistence Of Myth American Political Thought has

opened up a world of possibilities. Downloading Alexander Hamilton And The Persistence Of Myth American Political Thought provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Alexander Hamilton And The Persistence Of Myth American Political Thought has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Alexander Hamilton And The Persistence Of Myth American Political Thought. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Alexander Hamilton And The Persistence Of Myth American Political Thought. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Alexander Hamilton And The Persistence Of Myth American Political Thought, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Alexander Hamilton And The Persistence Of Myth American Political Thought has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Alexander Hamilton And The Persistence Of Myth American Political Thought Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Alexander Hamilton And The Persistence Of Myth American Political Thought is one of the best book in our library for free trial. We provide copy of Alexander Hamilton And The Persistence Of Myth American Political Thought in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Alexander Hamilton And The Persistence Of Myth American Political Thought. Where to download Alexander Hamilton And The Persistence Of Myth American Political Thought online for free? Are you looking for Alexander Hamilton And The Persistence Of Myth American Political Thought PDF? This is definitely going to save you time and cash in something you should think about.
