Cunningham, Torrance Stephens, Matt Richardson, 2010 Contains twenty articles in which various authors explore issues in the field of Black sexualities covering identity theories and frameworks descriptions depictions and responses citizenship activism and legal dynamics systemic and personal stresses and the life course

*Black Sexualities* Juan Battle, Sandra L. Barnes, 2009-11-24 Why does society have difficulty discussing sexualities Where does fear of Black sexualities emerge and how is it manifested How can varied experiences of Black females and males who are lesbian gay bisexual transgender LGBT or straight help inform dialogue and academic inquiry From questioning forces that have constrained sexual choices to examining how Blacks have forged healthy sexual identities in an oppressive environment Black Sexualities acknowledges the diversity of the Black experience and the shared legacy of racism Contributors seek resolution to Blacks understanding of their lives as sexual beings through stories of empowerment healing self awareness victories and other historic and contemporary life course panoramas and provide practical information to foster more culturally relative research tolerance and acceptance

**Black Female Sexualities** Trimiko Melancon, Joanne M. Braxton, 2015-01-26 Western culture has long regarded black female sexuality with a strange mix of fascination and condemnation associating it with everything from desirability hypersexuality and liberation to vulgarity recklessness and disease Yet even as their bodies and sexualities have been the subject of countless public discourses black women s voices have been largely marginalized in these discussions In this groundbreaking collection feminist scholars from across the academy come together to correct this omission illuminating black female sexual desires marked by agency and empowerment as well as pleasure and pain to reveal the ways black women regulate their sexual lives The twelve original essays in Black Female Sexualities reveal the diverse ways black women perceive experience and represent sexuality The contributors highlight the range of tactics that black women use to express their sexual desires and identities Yet they do not shy away from exploring the complex ways in which black women negotiate the more traumatic aspects of sexuality and grapple with the legacy of negative stereotypes Black Female Sexualities takes not only an interdisciplinary approach drawing from critical race theory sociology and performance studies but also an intergenerational one in conversation with the foremothers of black feminist studies In addition it explores a diverse archive of representations covering everything from blues to hip hop from Crash to Precious from Sister Souljah to Edwidge Danticat Revealing that black female sexuality is anything but a black and white issue this collection demonstrates how to appreciate a whole spectrum of subjectivities experiences and desires

**Black Couples Therapy** Yamonte Cooper, Erica Holmes, 2023-08-10 Introduces research theory

and practice of couples therapy with Black clients to help clinicians in providing culturally responsive care     Black Women's Bodily Autonomy, Sexual Freedom, and Pleasure Clarissa E. Francis, 2025-05-19 This text explores scholarship practice and advocacy for Black women's pursuit of bodily autonomy sexual freedom and pleasure Inspired by Megan Thee Stallion's song Hot Girl Summer and pleasure activism Dr Clarissa E Francis The Real Hot Girl Doc examines the cultural and social impacts of hot girl music and its transformative effects on Black women's sexual liberation journeys Francis introduces readers to the Hot Girl Movement addressing intergenerational trauma denial of bodily autonomy and pleasure politics This book offers a historical review and current documentation of Black women's role in the evolving movement for sexual liberation in the United States with a particular focus on Atlanta Georgia Chapters delve into the history of systemic oppression presenting research on Black women's experiences with gendered racism while demonstrating the socio cultural influences shaping Black women's sexual liberation The book centers Black women's narratives featuring the work of sexologists clinicians somatic practitioners and community organizers in guiding Black women to achieve sexual liberation The final chapter outlines conclusions of the research on the Hot Girl Movement and provides recommendations for participating in and supporting this movement This interdisciplinary text is essential reading for scholars clinicians healing practitioners birthworkers and activists including those in fields of sexuality sex therapy sociology gender studies Black Africana studies public health and social justice Exercises and additional resources are available on the product page under Support Material     Structural Intimacies Sonja Mackenzie, 2013-06-06 One of the most relevant social problems in contemporary American life is the continuing HIV epidemic in the Black population With vivid ethnographic detail this book brings together scholarship on the structural dimensions of the AIDS epidemic and the social construction of sexuality to assert that shifting forms of sexual stories structural intimacies are emerging produced by the meeting of intimate lives and social structural patterns These stories render such inequalities as racism poverty gender power disparities sexual stigma and discrimination as central not just to the dramatic disproportionate spread of HIV in Black communities in the United States but to the formation of Black sexualities Sonja Mackenzie elegantly argues that structural vulnerability is felt quite literally in the blood in the possibilities and constraints on sexual lives and in the rhetorics of their telling The circulation of structural intimacies in daily life and in the political domain reflects possibilities for seeking what Mackenzie calls intimate justice at the nexus of cultural economic political and moral spheres Structural Intimacies presents a compelling case in an era of deepening medicalization of HIV AIDS public health must move beyond individual level interventions to community level health equity frames and policy changes     **Sex for Life** Laura Carpenter, John DeLamater, 2012-02 Sexual beliefs behaviors and identities are interwoven throughout our lives from childhood to old age An edited collection of original empirical contributions united through its use of a distinctive cutting edge theoretical framework Sex for Life critically examines sexuality across the entire lifespan Rooted in diverse disciplines and employing a wide range of research methods

the chapters explore the sexual and social transitions that typically map to broad life stages as well as key age graded physiological transitions such as puberty and menopause while drawing on the latest developments in gender sexuality and life course studies Sex for Life explores a wide variety of topics including puberty sexual initiation coming out sexual assault marriage life partnering disability onset immigration divorce menopause and widowhood always attending to the social locations including gender race ethnicity and social class that shape and are shaped by sexuality The empirical work collected in Sex for Life ultimately speaks to important public policy issues such as sex education aging societies and the increasing politicization of scientific research Accessibly written the contributions capture the interplay between individual lives and the ever changing social historical context facilitating new insight not only into people s sexual lives but also into ways of studying them ultimately providing a fresh new perspective on sexuality **Rainbow Theology** Patrick S.

Cheng,2013-04-01 To date no book has systematically examined the theological writings of LGBT people of color Nor has any book explored how such writings might actually transform contemporary theological reflections on race and sexuality This book remedies these gaps by constructing a rainbow theology around the theme of bridging or mediation Rainbow Theology is the first book to reflect upon the theological significance of the intersections of race and queer sexuality across multiple ethnic and cultural groups This is particularly important in light of the current polarizing debates over issues of race sexuality and religion within churches and communities of faith around the world Maverick Feminist Kemeshia Randle Swanson,2024-03-26 Winner of the 2024 Eudora Welty Prize Beginning with their forced introduction to American soil Black women have relied on maverick like characteristics to survive And yet these liberating qualities have been repeatedly disparaged by the masses in favor of an elitist politics of respectability In Maverick Feminist To Be Female and Black in a Country Founded upon Violence and Respectability scholar Kemeshia Randle Swanson examines the extent to which the politics of respectability diminish joy and increase sorrow throughout the lifespan of Black women By rejecting this damaging standard in society Black women can wholly and attentively assist in the obliteration of racist sexist classist and ableist oppression But first they must work towards becoming self identified self actualized and self sexualized Bridging the gap between women in both the streets and the academy Maverick Feminist expands the traditional understandings of activism and enlarges discussions about Black female sexuality Swanson emphasizes sexuality s significance to the literary and sociopolitical success of Black women of the past and in this contemporary climate Through close readings and critical analyses of fiction nonfiction and popular culture Swanson argues that BlackGirlMagic and racial progression require rejecting respectability politics and developing an intimate appreciation of self Maverick Feminist examines texts by and about bold Black women including Zora Neale Hurston s *Their Eyes Were Watching God* Sister Souljah s *The Coldest Winter Ever* Brittney Cooper s *Eloquent Rage A Black Feminist Discovers Her Superpower* Alice Walker s *The Color Purple* Sapphire s *PUSH* Roxane Gay s *Hunger A Memoir of My Body* Terry McMillan s *Getting to Happy* and Michelle Obama s *Becoming*

Maverick Feminist offers hope concerning the growing divide between scholars and the communities about which they theorize. The book celebrates centuries of agency and control that Black women have mustered and maintained in a world that seems to want nothing more than to see them prone and powerless. Ultimately, maverick feminism provides a freer means of living out, evaluating, understanding, and improving the lives of Black women. Love, Intimacy, and the African American Couple Katherine M. Helm, Jon Carlson, 2013. Love Intimacy and the African American Couple lays out specific strategies that clinicians can use in their work with black couples regardless of the clinician's own race or level of experience. Black Women's Health Michele Tracy Berger, 2021-04-06. This book explores the meaning and practice of health in the lives of southern African American women and their adolescent daughters. Everyday Violence Simone Kolysh, 2021-09-17. Everyday Violence is based on ten years of scholarly rage against catcalling and aggression directed at women and Lesbian Gay Bisexual Transgender and Queer LGBTQ people of New York City. Simone Kolysh recasts public harassment as everyday violence and demands an immediate end to this pervasive social problem. Analyzing interviews with initiators and recipients of everyday violence through an intersectional lens, Kolysh argues that gender and sexuality shaped by race, class, and space are violent processes that are reproduced through these interactions in the public sphere. They examine short and long-term impacts and make inroads in urban sociology, queer and trans geographies, and feminist thought. Kolysh also draws a connection between public harassment, gentrification, and police brutality, resisting criminalizing narratives in favor of restorative justice. Through this work, they hope for a future where women and LGBTQ people can live on their own terms, free from violence.

**Keywords for African American Studies** Erica R. Edwards, Roderick A. Ferguson, Jeffrey O.G. Ogbar, 2018-11-27. Introduces key terms, interdisciplinary research debates, and histories for African American Studies. As the longest-standing interdisciplinary field, African American Studies has laid the foundation for critically analyzing issues of race, ethnicity, and culture within the academy and beyond. This volume assembles the keywords of this field for the first time, exploring not only the history of those categories but their continued relevance in the contemporary moment. Taking up a vast array of issues such as slavery, colonialism, prison expansion, sexuality, gender, feminism, war, and popular culture, **Keywords for African American Studies** showcases the startling breadth that characterizes the field. Featuring an august group of contributors across the social sciences and the humanities, the keywords assembled within the pages of this volume exemplify the depth and range of scholarly inquiry into Black life in the United States. Connecting lineages of Black knowledge production to contemporary considerations of race, gender, class, and sexuality, **Keywords for African American Studies** provides a model for how the scholarship of the field can meet the challenges of our social world.
