**Suzanne Preston Blier**

### **Art And Risk In Ancient Yoruba Ife History Power And Identity C13:**

Art and Risk in Ancient Yoruba Suzanne Preston Blier, 2013      Dynasty and Divinity Henry John Drewal, Enid Schildkrout, 2009 Jacket      **Yoruba Art and Language** Rowland Abiodun, 2014-09-29 The Yoruba was one of the most important civilizations of sub-Saharan Africa. While the high quality and range of its artistic and material production have long been recognized, the art of the Yoruba has been judged primarily according to the standards and principles of Western aesthetics. In this book, which merges the methods of art history, archaeology, and anthropology, Rowland Abiodun offers new insights into Yoruba art and material culture by examining them within the context of the civilization's cultural norms and values, and above all, the Yoruba language. Abiodun draws on his fluency and prodigious knowledge of Yoruba culture and language to dramatically enrich our understanding of Yoruba civilization and its arts. The book includes a companion website with audio clips of the Yoruba language helping the reader better grasp the integral connection between art and language in Yoruba culture.

Images of Power and Identity: Yoruba Peoples, Images of Power and Identity is a permanent exhibition of the National Museum of African Art of the Smithsonian Institution in Washington, D.C. that introduces the visual arts of Africa south of the Sahara. The exhibition includes figures, masks, pottery, and more. Selected images of works of the Yoruba peoples of Nigeria and Benin are available, as well as an overview of their geography and history.

*Satires of Power in Yoruba Visual Culture* Yomi Ola, 2013 Yoruba artists have long employed the visual arts to criticize dictatorial and ineffectual governments. This book examines satires of power in Yoruba visual culture from the precolonial to the postcolonial periods of Nigerian history. Prior to the imposition of British colonial rule between 1893 and 1960, there were manifestations of parodies of power in the Yoruba satirical masking, as well as in the carvings of some of the leading artists of the era, including the renowned Olowe of Ise, who worked predominantly for many kings in southwestern Nigeria. By the 1940s, Yoruba artists began to use the Western modernist media of editorial cartooning and photography as tools of social and political commentary. This text explores the visual commentaries on colonialism by Akinola Lasekan and the critiques of postcolonial military and civilian leaderships conceived by prominent cartoonists such as Kenny Adamson, Josy Ajiboye, Dele Jegede, Bisi Ogunbadejo, Boye Gbenro, and Tayo Fatunla. And in the global arena, the book further explores the triad of identity, power, and parody in the postmodern photographs and installations of Rotimi Fani Kayode and Yinka Shonibare, two London-based artists of Yoruba descent. While this book complements previous studies of satire among the Yoruba as an aspect of ritualized performance traditions, it departs from such studies by exploring its appropriations in secular spaces of contemporary visual culture. This book is part of the African World Series, edited by Toyin Falola, Jacob and Frances Sanger Mossiker Chair in the Humanities, University of Texas at Austin. In original, compelling arguments, Ola considers both direct and oblique influences that the Yoruba trickster deity Esu has had on specific works by each artist. Summing up: Recommended CHOICE Magazine

Yoruba Rowland Abiodun, Henry John Drewal, John Pemberton, 1991      *Gẹlẹdẹ* Henry John Drewal, Margaret Thompson

Drewal,1990 an exceptionally rich source for all those interested in symbolic religious or social studies Tribus an excellent book fascinating to read Research in African Literatures a volume that establishes the standards by which future works on the masked festivals of the Yoruba and other Sub Saharan African peoples will be judged African Arts the most sophisticated art historical analysis of a single African aesthetic tradition Tribal Arts Review **Contemporary Yoruba Art in Ile-Ife** Michael D. Harris,1996 **A History of the Yoruba People** Stephen Adebajji Akintoye,2010-01-01 A History of the Yoruba People is an audacious comprehensive exploration of the founding and growth of one of the most influential groups in Africa In this commendable book S Adebajji Akintoye deploys four decades of historiography research with current interpretation and analyses to present the most complete and authoritative volume on the Yoruba to date This exceptionally lucid account gathers and imparts a wealth of research and discourses on Yoruba studies for a wider group of readership than ever before Very few attempts have tried to grapple fully with the historical foundations and development of a group that has contributed to shaping the way African communities are analysed from prehistoric to modern times A wondrous achievement a profound pioneering breakthrough a reminder to New World historians of what proper history is all about a recount which draws the full landed and spiritual portrait of a people from its roots up A History of the Yoruba People is yet another superlative work of brilliant chronicling and persuasive interpretation by an outstanding scholar and historiographer of Africa Prof Michael Vickers author of Ethnicity and Sub Nationalism in Nigeria Movement for a Mid West State and Phantom Trail Discovering Ancient America This book is more than a 21st century attempt to re present a comprehensive history of the Yoruba shifting the focus to a broader and more eclectic account It is a far more nuanced evidentially sensitive systematic account Wale Adebawwi Assist Prof African American and African Studies UC Davis USA Akintoye links the Yoruba past with the present broadening and transcending Samuel Johnson in scope and time and reviving both the passion and agenda that are over a century old to reveal the long history and definable identity of a people and an ethnicity Here is an accessible book with the promise of being ageless written by the only person who has sustained an academic interest in this subject for nearly half a century providing the treasures of accumulated knowledge robust encounters with received wisdom and mature judgement about the future Toyin Falola The Frances Higginbotham Nalle Professor in History University of Texas at Austin USA

**Aso Oke Yoruba** Tola Adenle,2016-02-17 Travel back in time with author Tola Adenle and witness the birth of a stunning art form the gorgeous handwoven Aso oke fabric created by the Yoruba of Southwestern Nigeria An artisanal people the Yoruba have spent centuries honing their craft producing exquisite textiles known around the world for their beauty and superior artistry A wealth of information Aso Oke Yoruba is a veritable crash course in pronunciation accents culture and history including the fascinating background of the Ife Head and the other sculptures unearthed at Ife art that capsized Western assumptions about African civilizations Lovely photos showing the materials they use the weavers at work and gowns and other garments illustrate the text A love letter to Aso oke fabric and the talented craftsmen who create each piece
