The Old Rugged Cross Ben Pugh, 2016-10-10 A lot has been said about the atonement theology of the theologians but what of ordinary believers and their church leaders What if anything have they done with penal substitution or with Christus Victor How if at all have these doctrinal approaches helped ordinary Christians to live more devoted lives or lead good church services Ben Pugh takes the temperature of the church at various points in its history right up to the present day noting particular emphases that can be detected in various expressions of personal and corporate faith whether these be hymns sermons magazines or devotional texts The book aims not only to describe what the implied atonement theologies of the church have in reality been but also to explore why these have taken the forms that they have This exploration will shed some fresh light on current debates building on the findings of the author's earlier work *Atonement Theories A Way through the Maze*

Secularism and the Pursuit of Transcendence, Volume II Stanley E. Porter, Wendy J. Porter, 2025-02-19 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent's pursuit of us

Redeeming Transcendence in the Arts Jeremy Begbie, 2018-02-14 How can the arts witness to the transcendence of the Christian God Many people believe that there is something transcendent about the arts that they can awaken a profound sense of awe

wonder and mystery of something beyond this world even for those who may have no use for conventional forms of Christianity In this book Jeremy Begbie a leading voice on theology and the arts employs a biblical Trinitarian imagination to show how Christian involvement in the arts can be shaped by the distinctive vision of God's transcendence opened up in and through Jesus Christ **ThirdWay** ,1999-12 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **ThirdWay** ,1999-03 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture *Introducing Radical Orthodoxy* James K. A. Smith,2004-12-01 Although God is making a comeback in our society popular culture still takes its orders from the Enlightenment a movement that denied faith a prominent role in society Today many are questioning this elevation of reason over faith How should Christians respond to a secular world that continues to push faith to the margins While there is still no consensus concerning what a postmodern society should look like James K A Smith suggests that the answer is a reaffirmation of the belief that Jesus is Lord over all Smith traces the trends and directions of Radical Orthodoxy proposing that it can provide an old but new theology for a new generation of Christians This book will challenge and encourage pastors and thoughtful laypeople interested in learning more about currents in contemporary theology **The Artistic Sphere** Roger D. Henderson,Marleen Hengelaar-Rookmaaker,2024-01-02 The Neo Calvinist tradition is well equipped to offer wisdom on the arts to the whole body of Christ Edited by art scholar Roger Henderson and Marleen Hengelaar Rookmaaker daughter of Hans Rookmaaker this volume brings together history philosophy and theology to consider the relationship between the arts and the Neo Calvinist tradition Transformational Teaching Kenneth S. Coley,Martha E. MacCullough,Deborah L. MacCullough,2023-02-15 Transformational Teaching by Kenneth Coley Martha MacCullough and Debbie MacCullough provides a comprehensive Christ centered introduction to instructional design and effective teaching It will be useful for education courses teachers in training and experienced teachers who want to elevate their pedagogy from a Christian framework **Christian Witness in Cascadian Soil** Ross A. Lockhart,2021-02-17 The Centre for Missional Leadership at St Andrew's Hall Vancouver has curated a dynamic collection of essays from missional thinkers in church and academy Together they explore both the pitfalls and possibilities of Christian witness in the post Christendom soil of the Pacific Northwest What does it mean to till plant and nurture Christian community while awaiting growth in the rocky soil of secularity in this West Coast land better known for its hipsters baristas and outdoor lifestyle Each chapter is an attempt to dust for divine fingerprints at work within the church and wider culture giving evidence of God's activity in our midst Within this book you will encounter women and men who are finding hopeful ways to proclaim and live the gospel that are bearing fruit and growing hope within Christian communities and the neighborhoods they call home *ThirdWay* ,2000-01 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture Creativity and Captivity Uday Balasundaram,2021-12-02 Ultimately what really does it mean to be creative How can we see ourselves

as participating in the creativity of God for mission All people are creative Sadly however for many creativity is stifled and remains stunted due to several reasons social economic political cultural and even spiritual This study explores how ICMs indigenous cosmopolitan musicians negotiate their creativity amid the liminal spaces they occupy as they share in the creativity of God for mission through their music But what exactly does it mean to share in the creativity of God for mission Contrary to popular notion ICMs evidence that creativity is not merely innovation it is not a psychological metric for measuring human potential it is certainly not the icing on the cake reserved for a few so called creatives or artists Rather theological creativity is participation in the creatio Dei it is theologically prior to mission As a missiological framework creatio Dei is understood here in terms of creative being creative construction design and creative performance Hopefully this book can help clarify and expand our understanding of what it means to be truly creative and thereby with the help of the Creator put into practice principles of theological creativity as we share in the creativity of God in the world with others
