Fowler, Meghan B. Raehl, 2022-12-01 In *On Leadership: An Interdisciplinary Approach* editors Fowler and Raehl provide one of the most comprehensive books on interdisciplinary leadership approaches to date. Contributing authors from across the nation and around the globe include individuals from an array of sectors including Education PK 12 and Higher Education Business Public and Nonprofit Organizations Government Military Law Enforcement and the Healthcare Industry. With a focus on highlighting the best practices as it applies to effective leadership in any given organization, the book offers a much needed analysis of what it means to lead successfully in the 21st Century and beyond.

Endorsements If you are looking for a cutting edge resource regarding interdisciplinary leadership, I highly recommend *On Leadership*. Each chapter has a rich perspective which contributes to the interplay between one's context, value system, level of authenticity, perspectives, and unique experiences. I highly recommend *On Leadership* and look forward to using this in the leadership courses I teach. David De Jong, Dakota State University. As both a scholar in school leadership and a former school leader, I thought I knew just about everything about leadership, but after reading this book, I was delightfully enlightened about the practical application of leadership in varying contexts around the world. Organized in three sections, this book clearly presents the practical application of leadership through an interdisciplinary approach. Fowler and Raehl provide a rich text with contributions of authors in both PK 12 Schools and Higher Education, and this text would be a welcome addition to any educational leadership program. Sonya D. Hayes, The University of Tennessee Knoxville. Effective leadership development and corresponding leadership skills are not unique to any one profession or leadership position. Effective leadership transcends all professions, and effective leadership is evident in all effective leaders and leadership positions. Therefore, *On Leadership: An Interdisciplinary Approach* is a timely must-read for current and aspiring leaders. Siloed leadership development must be a thing of the past. Michael Schwanenberger, Northern Arizona University. Undoubtedly, forward-thinking content that will serve as key fundamentals in the future training of leaders in and out of the educational landscape. Centered on ethics and authenticity, this text truly represents a wholesome approach to modeling effective leadership practices in the 21st century. Alexandria Horton, Former PreK 12 Educator. *Teaching Literacy through the Arts* Nan L. McDonald, Douglas Fisher, 2013-12-17 Accessible and hands-on yet grounded in research, this book addresses the whys, hows, and how-tos of integrating literacy instruction and the arts in grades K-8. Even teachers without any arts background will gain the skills they need to bring music, drama, visual arts, and dance into their classrooms. Provided are a wealth of specific resources and activities that other teachers have successfully used to build students' oral

language concepts of print phonemic awareness vocabulary fluency comprehension and writing while also promoting creativity and self expression Special features include reproducible worksheets and checklists for developing evaluating and implementing arts related lesson plans *The Place and the Writer* Marshall Moore, Sam Meekings, 2021-04-08 The combined experience of authors throughout the ages offers a wealth of valuable information about the practice of creative writing However such lore can also be problematic for students and practitioners as it can be inherently additive making it difficult to abandon processes that do not work This adherence to lore also tends to be a US centric endeavor In order to take a nuanced approach to the uses and limitations of lore *The Place and the Writer* offers a global perspective on creative writing pedagogy that has yet to be fully explored Featuring a diverse array of cultural viewpoints from Brazil to Hong Kong Finland to South Africa this book explores the ongoing international debate about the best approaches for teaching and practicing creative writing Marshall Moore and Sam Meekings challenge areas of perceived wisdom that persist in the field of creative writing including aesthetics and politics in institutionalized creative writing the process of workshopping tuition and talent anxiety in the classroom unifying theory and lore and teaching creative writing in languages other than English
