A Charitable Discourse Talking About The Things That Divide Us:

A Charitable Discourse Dan Boone, 2011-03 Homosexuality social drinking and politics Why is it so hard to talk about these topics and others like them in the church What keeps us from having open and honest conversations about complex and controversial issues The silence in the pews about these matters can be deafening Often members say little fearing disagreement and rebuttal others strongly assert half truths and biases Nothing gets truly discussed and many especially the youth become discouraged and leave *A Charitable Discourse* insightfully explores why this happens looking closely at the ways people avoid and prevent authentic dialog from labeling and grandstanding to religious abuse Seven controversial issues are discussed with understanding sincerity and compassion

A Culture of Engagement Cathleen Kaveny, 2016 Religious traditions in the United States are characterized by ongoing tension between assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection of Kaveny's articles from *Commonweal* magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational *A Culture of Engagement* is a welcome reminder of what can be gained when a diversity of experiences and beliefs is brought to bear on American public life

A Plain Account of Christian Faithfulness Rob A. Fringer, Dean G. Smith, 2020-05-04 The title of this work *A Plain Account of Christian Faithfulness* is a play on John Wesley's famous book *A Plain Account of Christian Perfection* It reflects the focus character and actions of David B McEwan for whom this book has been dedicated The essays have been written by scholars from around the globe each focusing on an aspect of faithfulness from a Wesleyan perspective and covering the broad disciplines of Bible theology history and pastoral theology This book has something for everyone and ultimately invites the reader into deeper Christian faith and faithfulness

Governance and Christian Higher Education in the African Context David K. Ngaruiya, Rodney L. Reed, 2019-02-14 Integrity pastoral care and authority lie at the heart of Christian leadership and indeed following Jesus in any capacity and they are also critical in state governance and Christian

higher education The articles in this book the product of the 2017 conference of the Africa Society of Evangelical Theology address these themes and other topics relating to the spheres of government and education in Africa to enhance our understanding of the challenges faced in African contexts A wide range of Christian scholar leaders provide a way forward for other church and institutional leaders who are seeking to faithfully fulfill their responsibilities of stewardship and instruction Corruption civil disobedience good governance and formation of Christian leaders are matters that are becoming increasingly relevant not only in many African countries but across the world and this book is a valuable resource for thoughtful reflection and guidance on these important subjects
