A Better Way To Pray A Better Way To Pray:

A Better Way to Pray Andrew Wommack,2007 After nearly four decades of ministry Andrew Wommack has discovered some important truths about prayer His prayer life is much different than it was thirty years ago and the results have dramatically improved You may be asking many of the same questions Andrew once did Is prayer my Christian duty Is prayer primarily about asking God to meet my needs and the needs of others Is God s answer to my prayer based on the degree of my humility and sincerity Is answered prayer a sovereign decision of God or do I have the ability to influence Him Clear scriptural answers to these questions and more could significantly change the way you pray These principles may not be the only way to pray but if you re not getting the results you desire consider changing directions maybe there is A Better Way to Pray Looking for a Better Way to Pray? Dr. B. J. Willhite,2010-03-22 In 1988 I wrote a book called Why Pray which went through six printings by Creation House and one by the author That book was written because I knew I had something to say to the prayers of America I have over the past fifty years of ministry read scores of books on the subject of prayer Most of them dealt with some rather fundamental issues but none seemed to answer the questions I had regarding this matter I wanted to know why God who has all power a plan and a will would need us to pray I had read early in my life with God a statement attributed to John Wesley in which he said God does nothing but in answer to prayer He did not explain the statement but he sure caused me to think If God does nothing but in answer to prayer then prayer must be one of the most important things a Christian can do I believed the statement but did not understand it and Wesley did not explain himself Later I came to believe the following God who is sovereign certainly has the power to do anything He wills to do whether anyone prays or not however I can say from a careful study of the Word and a thorough examination of life s experiences as a rule God does nothing but in answer to prayer THE LAW OF PRAYER is a follow up of Why Pray I have included in it some of the same material with several new chapters a new cover forward and updated illustrations David Shibley will write the forward Other recommendations will come from Bishop Ken Ulmer of Los Angeles CA Pastor Steve Dixon Jack Hayford and Mike Bickel My Purpose in writing this Is to instruct encourage and inspire God s children to pray by convincing them that He will hear their prayer as quickly as He will hear the prayer of anyone Is to share the truth that God our Father desires to have a relationship with each of His children and has made a way for this to happen His door is never closed and all are invited to come in for a chat Is to communicate a few more things I have learned to the thousands who read Why Pray Last but not least I want to obey my Father *A Better Way to Pray* Andrew Wommack,2007-03-21 After nearly four decades of ministry Andrew Wommack has discovered some important truths about prayer His prayer life is much different than it was thirty years ago and the results have dramatically improved You may be asking many of the same questions Andrew once did Is prayer my Christian duty Is prayer primarily about asking God to *A Better Way to Pray Study Guide* Andrew Wommack,2022-02-01 Does The Way You Pray Effect Results Whether you are teaching a Sunday school class leading a small
