A Better Way Rediscovering The Drama Of God Centered Worship:

A Better Way Michael Horton, 2003-05 A challenging examination of the biblical and theological issues underlying a distinctively Christian view of worship A Better Way Michael Scott Horton, 2002 Better Way Michael Horton, 2014-05-14 A challenging examination of the biblical and theological issues underlying a distinctively Christian view of worship **Christ-Centered Worship** Bryan Chapell, 2009-10 The bestselling author of Christ Centered Preaching provides a useful and accessible resource that traces the history of Christian worship and calls contemporary congregations to gospel faithfulness *The Drama of Preaching* Eric B. Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God's redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching The Drama of Preaching interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word *Participation and Covenant* Dick Moes, 2024-03-13 In Participation and Covenant Contours of a Theodramatic Theology Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God's fundamental relationship with humanity does not entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton's presentation but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit For this relationship we were created and this participation is therefore natural to us Accordingly a theodramatic framework that incorporates a reframed understanding of divine human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology **Principled Worship** Sam Hamstra, 2006-10-25 In this volume Sam Hamstra a veteran resident pastor responsible for planning worship catalogues and describes twenty nine biblical principles that to one degree or another shape the weekly gathering of those Christian congregations who wish to worship in a manner consistent with the Scriptures and coherent with their particular theologies In so doing he not only rises above denominational labels he also tells the story

of the process of liturgical renewal within his congregation This clear and concise work is at once scholarly and practical traditional and contemporary biblical and relevant The book is written for clergy and laity alike who together long for relevant liturgies faithful to scripture Reformation Riches for the Contemporary Church David R. Bruins,2016-05-02 Whether it is described as recovering treasures of gold removing the clouds to reveal the clearest and bluest of skies replacing fast food with delectable and healthy cuisine or coming out of the valley to behold the most amazing Alpine splendor rediscovering the glorious biblical truths which were recovered during the Reformation is extraordinarily liberating and invigorating The biblical teachings of the Protestant Reformation five hundred years ago freed Christians from many of the same forms of bondage that ironically have now reappeared in much of contemporary evangelical Christianity Many evangelicals now find themselves trapped on performance based treadmills enslaved by neurotic introspection and often just burning out and walking away from the church Whether it s being fixated on my performance legalism or my inner experience mysticism or some other exhausting entanglement there is thankfully a way out Protestant evangelical churches need to rediscover the liberating treasures of biblical Christianity that were recovered in the Protestant Reformation This book encourages burned out evangelicals to take another look from a Reformation perspective and begin basking in the good news and all of its vast riches Through a series of thought provoking essays this book also introduces other skeptics to an undiluted and robust Christianity Trinitarian Doxology Kevin J. Navarro,2023-01-26 Liturgical theology tends towards the anthropocentric focussing primarily on the behaviour of the worshippers The theology of Thomas F and James B Torrance however provides an alternative approach a Trinitarian and Christocentric study of liturgy which decentralises the worshippers position in liturgy and focusses instead on Christ the One who is worshipped In *Trinitarian Doxology* Kevin J Navarro examines the Torrances theology explicating and illuminating their work whilst simultaneously providing critical analysis which provides a lens for deeper understanding *Unfettered Hope* Marva J. Dawn,2003-03-31 In this prophetic call to faithful Christian living Marva Dawn identifies the epidemic socio cultural attitudes that destroy hope in our modern lives Because affluent persons don t know what to value how to choose what s important and weed out the rest we remain dissatisfied with what we have and are compelled to want more Dawn demonstrates however how Christians can organize their lives to live in ways that allow them to love God and neighbor and in the process alleviate the despair in their lives and in the lives of others in the world *Religious Involvement in Hearing Sermons* Theo Pleizier,2010 The Sabbath Complete Terrence D. O'Hare,2011-12-01 The Sabbath Lord s Day controversy exists because of a lack of faithful hermeneutics and attempts to validate denominational traditions with Scripture Terrence O Hare has studied this topic for a decade and presents his findings with the hope of attaining a consensus among professing Christians The Sabbath Complete is thoroughly researched and comprehensive in its scope In a readable and instructional manner O Hare analyzes the full range of biblical texts on this topic two millennia of church history and literature from Jewish Catholic and many Protestant

varieties thus providing a comprehensive and unique answer that should appeal to a wide range of interested readers

Kiwimade Narrative Sermons Myk Habets, 2015-01-29 This collection of over forty narrative sermons illustrate the science and art of taking a text of Scripture almost any text and crafting it into a narrative that effectively and affectively communicates the content of Holy Scripture in ways that impact the congregation Spanning the canon of Holy Scripture the present volume represents a snapshot of current preaching by Baptist women and men from Aotearoa New Zealand in an attempt to teach by illustration what narrative sermons may look like and to model the potential they have to communicate God's Word written Originally preached to a diverse range of congregations each sermon has been re written for publication and illustrates biblical fidelity imaginative creativity and contextual sensitivity Kiwimade Narrative Sermons is a key resource text for classes on homiletics a refresher course for seasoned ministers of the Word and a devotional aid in its own right

Sing to the Lord a New (Covenant) Song Brian V. Janssen, 2010-01-01 This little book tackles the big questions about worship music In considering the theology of biblical and Reformed worship and the purpose of music in worship Pastor Janssen develops objective guidelines which lead to an evaluation tool for selecting the best music for worship This book helpfully moves beyond personal preference leading to greater light than heat in the continuing discussion of worship practice Written from a pastoral perspective this book is theological readable and practical

Honey from the Rock Mac Goddard, 2013-12 Focusing on God's love for his people Honey from the Rock is author Pastor Mac Goddard's method to present the message of the good news of Jesus in a straightforward understandable way Goddard maintains that left to himself man will never believe the Gospel message it is simply too farfetched From the story of creation the manifestation of Adam and Eve the birth of Jesus Christ to a virgin Jesus work on Earth and his death and resurrection Goddard shares his perspective of the Gospel With study questions at the end of each chapter Honey from the Rock provides a unique insight and understanding of many facets of the Gospel from God's treatment of our sins to the covenants of law and grace Goddard teaches that if we walk in Jesus ways trusting in him and in him alone he will not only feed us with the finest of wheat but on the other side of that extremely difficult place created by the old covenant of law he will nourish us with the sweetest of honey honey from the rock

Sacred House Alan Andraeas, 2019-10-01 While the House Church Movement is gaining immense popularity throughout many denominational and independent faith communities collectively standing as the largest denomination in the United States sacramental and liturgical congregations are taking only the most tentative steps toward this venue of worship Consequently there exists a vacuum of guidelines or information to support this dynamic ministry model from a uniquely sacramental perspective In this book Dr Andraeas examines the scriptural foundations for liturgical worship the biblical theological and historical precedents for house churches and how a union between priestly liturgy and house church worship complement and support each other He concludes with a vigorous challenge for all sacramental and liturgical jurisdictions to engage their seminarians clergy and people in embracing this approach to church planting

evangelism and community ministry while offering thoughtful and obtainable recommendations **Planting, Watering, Growing** Daniel R. Hyde, Shane Lems, 2011-01-04 As a response to the unique challenges facing the twenty first century American church church planting has become a popular topic But at a time when churches that spread the seed of the Word through preaching the sacraments and prayer are greatly needed much of the focus has been on planting churches that adapt pop culture to meet consumer demand In *Planting Watering Growing* the authors of this collection of essays weave together theological wisdom personal experiences and practical suggestions guiding readers through the foundations and methods of planting confessional churches that uphold the Word of God **Christocentric Preaching Meets the Historical Jesus** Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric Your Identity in the Trinity Sean Cole, 2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God's glory declare God's gospel and disciple for God's Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ *Teaching the Faith, Forming the Faithful* Gary A. Parrett, S. Steve Kang, 2013-03-05 With the decline of traditional Sunday school and education programs

in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries
