A Burning Desire Dharma God And The Path Of Recovery:

A Burning Desire Kevin Griffin, 2010-01-01 A Burning Desire is a gift for those who struggle with the Twelve Step program's focus on the need to surrender to a Higher Power Taking a radical departure from traditional views of God Western or Eastern author Kevin Griffin neither accepts Christian beliefs in a Supreme Being nor Buddhist non theism but rather forges a refreshing sensible and accessible Middle Way Griffin shows how the Dharma the teachings of the Buddha can be understood as a Higher Power Karma mindfulness impermanence and the Eightfold Path itself are revealed as powerful forces that can be accessed through meditation and inquiry Drawing from his own experiences with substance abuse rehabilitation and recovery Griffin looks at the various ways that meditation and spiritual practices helped deepen his experience of sobriety His personal story of addiction is not only raw honest and engrossing but guides readers to an inquiry of their own spirituality

Living Kindness Kevin Griffin, 2022-12-27 To live kindness is to express the essential Buddhist wisdom of selflessness Through stories from the ancient Pali canon of Buddhism and personal reflections on modern life Dharma teacher Kevin Griffin reveals the richness and multifaceted nature of loving kindness or metta on the Buddhist path Along with the other brahmaviharas or divine abodes of compassion sympathetic joy and equanimity the practice of loving kindness is not only a meditation technique it's a radical way of life based in wisdom ethics and compassion for all beings As one friend on the spiritual path speaking to another Griffin explores the human dimension of what can sometimes seem like lofty philosophy What would it mean to be completely free of ill will How do we love without clinging Can we expand our loving kindness beyond the human realm to encompass the Earth itself And how does loving kindness relate to the ultimate Buddhist goal of enlightenment Through guided practices and illuminating explorations of classical texts like the Metta Sutta readers are invited to deepen their understanding of a core Buddhist teaching

Recovering Spirituality Ingrid Clayton, 2011-08-24 Guides those in recovery in developing the awareness and skills to deal with life's issues by practicing authentic spirituality and emotional sobriety Spirituality is a critical aspect of the Twelve Steps and other recovery programs Yet for those of us disposed to addiction it can be easy to get so caught up in the idea of our Higher Power and the abundant joys of a spiritual life that we experience spiritual bypass the use of spirituality to avoid dealing with ourselves our emotions and our unfinished business In *Recovering Spirituality* researcher and clinical psychologist Ingrid Mathieu uses personal stories and practical advice to teach us how to grow up emotionally and take responsibility for ourselves Without turning away from the true benefits of an active spiritual program she shows us how to work through life's challenges and periods of pain while evolving and maintaining an authentic relationship with our Higher Power

Climbing The Mountain Harvey Webb,2020-04-27 What this model The Sun Lotus Recovery Model puts forward is a spiritual approach that does not offer an intervention of a Higher Power but one that supports the individual to find their naturally inherent inner potential and develop themselves without an intervention from a Higher Power This is called in Buddhism The Middle Way or The Inner Way or even The Sacred Way which teaches that Human potential Life is unlimited and that by tapping into that well spring of potential Buddha Nature through Buddhist Practice the individual can bring about a profound positive change on the deepest and most fundamental level of Life This is also a Human centered approach which says that the individual already has the potential for positive change and just needs the correct causes and conditions to manifest it without the need of an intervention by an exterior God or a Higher Power Buddhism is a philosophical faith that has no Godhead or Higher Power to pray too for salvation from addiction or suffering It teaches that the individual can bring about their own Enlightenment through their own efforts through Buddhist Practice thus overcoming the Four Universal Sufferings of Birth Old Age Sickness and Death and all the other existential Human sufferings including that of addiction From this model and understanding Sun Lotus Recovery was devised and is the complete A to Z of Addiction and Recovery I hope the reader truly finds something useful in this writing and that it is a tool for them to overcome the misery caused by an addiction disorder not only in their Life but in the lives of all those who are connected to them through Human bonds of family and love I am not a special person I am not a different person I am in fact a very ordinary person who has been able to sustain my Recovery through this programme which I will now explain and deliver in these writings If I am able to succeed in using this Life philosophy faith and practice to maintain my own Recovery from my addiction disorder and to experience my own personal growth and development into a better happier more contented Human Being then I believe that this can also be the experience of anyone else who chooses to follow in my footsteps whatever their nationality gender race or sexual orientation as these teachings and practices are truly Universal and transcend all such distinctions between us Human Beings If this endeavour can enable and empower even a single person to transform themselves and enable them to break the chains and shackles of this painful and Life devouring brain disorder then my mission would have been accomplished The
