

FINDING GOD IN AN AGE OF SCIENCE

JOHN LENNOX + KEVIN SORBO

AGAINST *The* TIDE

A JOURNEY WITH A DIFFERENCE...

Against the Tide is a travelogue, a science documentary, an excursion into history, an autobiography and more! But at heart, it is the story of one man's daring stand against the tide of contemporary atheism and its drive to add belief in God to society's catalogue of dead ideas.

"I have taken a stand against atheism because I am convinced that it is perilously built on false premises and misinterpretations of evidence. Some of it is from science and some of it is from history. Properly understood, the evidence inexorably points to the existence of a creator God."

(Professor John Lennox)

"If that's true, the world needs to hear about it!"

(Kevin Sorbo, the film's co-producer and presenter)

In a film that, for the first time, brings together the evidence from science and evidence from history, follow John Lennox's battle for the truth about God, told throughout this journey with a difference - and experience the difference the evidence can make!
