

The background of the cover features a complex, three-dimensional molecular structure. It consists of numerous spheres of varying sizes, representing atoms, connected by thin, light-colored rods representing chemical bonds. The spheres are rendered with a metallic or reflective texture, showing highlights and shadows. The overall composition is a dense network of these interconnected spheres and rods, creating a sense of depth and complexity. The color palette is primarily light beige and off-white, with the spheres having a greyish-silver hue.
