

Imperialism

Imperialism is the act of a stronger country taking over a weaker country or territory and socially, politically, or economically controlling the new territory.

Causes of Imperialism

- Greed - Desire for more profit
- Nationalism - Europeans thought they were great and wanted to spread their culture
- Industrialization - Need for resources
- Missionary impulses - Spread religion (Christianity)
- Social Darwinism - Many Europeans thought they were superior to non-Europeans
- White Man's Burden - Responsibility to "help" people in Asia and Africa to justify imperialism
- Catalanism - Idea that Africans and Asians could not rule themselves, therefore Europeans had to step in.

The cartoon below depicts non-Europeans being "saved" and taken into civilization by Westerners. This cartoon is symbolic of the White Man's Burden mentality that existed.

Location of Imperialism

Imperialism was not contained to one specific area. Territories across the globe were targeted including North America, Africa, Asia and Australia. See map below.
