Up and Down the Scratchy Mountains Laurel Snyder,2008-08-26 THIS IS THE tale of Lucy and her best friend Wynston Until recently they spent their days paddling in the river picking blackberries and teasing each other mercilessly But now King Desmond has insisted that Wynston devote every spare second to ruby shining and princess finding Lucy feels left out So she sets off for the Scratchy Mountains to solve the mystery of her missing mother When Wynston discovers that Lucy is gone he tears after her and together they embark on a series of strange and wonderful adventures **Iowa Alumni Magazine** ,2008 The Myth of the Simple Machines Laurel Snyder,2007-09-01 The gorgeous simplicity of Laurel Snyder s language makes all the possibilities and the impossibility of living stand out starkly Her machines are thought machines memory machines the machines of false and daily logic and we recognize them all And of course they don t work this time either but Snyder has found the poignancy in this and more than that she has found its meaning A startling and touching book Cole Swensen **59 Reasons to Write** Kate Messner,2023-10-10 In order to teach writing effectively teachers must be writers themselves They must experience the same uncertainty of starting a new draft and then struggling to revise As they learn to move past the fear of failure they discover the nervous rush and exhilaration of sharing work with an audience just as their students do Only by engaging in the real work of writing can teachers become part of the writing community they dream of creating for their students Kate Messner s new book 59 Reasons to Write shows teachers and librarians who teach writing how to be stronger role models for their students Writing for my students provided me with appropriate mentor texts to share she writes Writing with my students made me a mentor and a far better teacher 59 Reasons to Write grew out of Messner s popular online summer writing camp Teachers Write Throughout the book she offers mini lessons writing prompts and bursts of inspiration designed to get you writing every day whether on your own or as part of a group Dozens of guest authors also share their writing processes and secrets from brainstorming ideas and organizing research to developing characters and getting unstuck from writer s block 59 Reasons to Write is for anyone who has always wanted to write but never managed to get into the habit Daily warm ups will help you flex your writing muscles and energize your teaching As Messner shares One of the greatest gifts of writing is the way it nudges us to look more closely not only at the world but also at ourselves Seven Stories Up Laurel Snyder,2014-01-28 In this companion to Laurel Snyder s Bigger than a Bread Box a leap back in time and an unlikely friendship change the future of one family forever Annie wants to meet her grandmother Molly wishes she had a friend A little magic brings them together in an almost impossible friendship When Annie wakes up on her first morning at the Hotel Calvert she s in for a big surprise There s a girl named Molly in her bed who insists the year is 1937 and that this is her room Annie s not sure what happened but when she learns that Molly s never been outside the hotel she knows it s time for an adventure Magic fortune telling some roller skates a rescued kitten and the best kind of friendship make up the unforgettable story of two girls destined to change each other s lives Like Judy Blume before her
