The Witches Of Jericho Edenwitch 1 By Sam Hammack:

The Witches of Jericho Sam Hammack, 2013-03-04 This is not the Eden you know Eve is a witch The fruit of knowledge is not fruit at all The devil has begun to unleash his wrath And Adam is nowhere to be found The land of Eden is in the midst of drastic change The witches have been driven to near extinction by greed steel and a strange new breed of witch killers The surviving witches and their closest allies have begun a desperate search for answers that may lead them directly into the heart of Eden possibly even into the Sea of Dreams itself At the same time Eden is on the brink of major new discoveries The explorers have begun the search for a way through the Eastern Edge into the next world The new railroad will bring the north and the south together and will drive commerce toward the greedy and powerful All the while the devil tempts Eve with the device of knowledge and power as he continues to plot his escape from the Land Beyond Eden The Witches of Jericho follows an outcast few as they begin a journey toward retribution and discovery in a world that is on the eve of an awakening

Edenwitch (Parts 1 - 3) Sam Hammack, 2013-04-21 The realm of Eden is in the midst of drastic change Eve and the other witches have been driven from their homes by an ancient breed of demons returned from a mythological past No one seems to know how or why they have been called forth but most believe the devil is to blame Eve scales the mountains beyond Jericho in search of answers and discovers a device that has the capability to change the world forever She will be forced to make a decision that will have dire consequences for years to come Ten years later her daughter Sophia Falcomye searches for her own answers a search which will lead her directly into the den of the demons and a date with the Voodoo Witch Her father Saul once a Guardian and a protector must face his own demons as well as the Wolf who hunts his daughter and the other witches without mercy Meanwhile the new railroad nears completion It will bring the north and the south together and drive money directly into the pockets of the powerful Mayor of Jericho At the same time an eccentric explorer searches for the passage that could lead through the once impenetrable edge of the world Edenwitch is a character driven fast paced and fun read that seamlessly weaves together several plot lines into a wonderfully dark adventure and will eventually seek answers to the oldest of questions
