But he knows something the army doesn't seem to know. Fergus Watts is alive and in the UK living in secret under an assumed name but where Fergus is Danny's only living relative. Burning with fury and desire for revenge Danny sets out to track down his grandfather and expose him. In doing so he sets in train an explosive sequence of events which throw Danny and Fergus together on the run from the people who want Fergus and now Danny dead. Packed with breathtaking action SAS procedures and surveillance and survival techniques this is a fast moving action packed thriller for teenagers

Shadow State Andy McNab, 2023-01-10 In the dark world of cryptocurrency there's a high price to pay. From the central bank of El Salvador to a tantalum mine in Rwanda the Acropolis Museum in Athens to the biggest freeport on the planet in Dubai enter a world ruled by ones and zeroes and inhabited by people who don't believe in trust. Nathan Pike is one of those people. To some he's a digital Robin Hood. To others he's nothing but an amoral hacker. A codebreaking and encryption expert he sells his skills to whoever can pay him what he wants or give him something he needs. And when he's sprung from a Cambodian prison by a woman calling herself Melody Jones he's made an offer the likes of which he's never seen before.

The Enemy in Contemporary Film Martin Löschnigg, Marzena Sokołowska-Paryż, 2018-08-21 Culture and conflict inevitably go hand in hand. The very idea of culture is marked by the notion of difference and by the creative fraught interaction between conflicting concepts and values. The same can be said of all key ideas in the study of culture such as identity and diversity memory and trauma the translation of cultures and globalization dislocation and emplacement mediation and exclusion. This series publishes theoretically informed original scholarship from the fields of literary and cultural studies as well as media visual and film studies. It fosters an interdisciplinary dialogue on the multiple ways in which conflict supports and constrains the production of meaning on how conflict is represented how it relates to the past and projects the present and how it frames scholarship within the humanities.
