When A Mans A Man By Harold Bell Wright:

When a Man's a Man Harold Bell Wright, 2001-04 1916 A wonderful story of the West from Wright who prior to his artistic and writing career served as a minister The story begins There is a land where a man to live must be a man It is a land of granite and marble and porphyry and gold and a man s strength must be as the strength of the primeval hills It is a land of oaks and cedars and pines and a man s mental grace must be as the grace of the untamed trees It is a land of far arched and unstained skies where the wind sweeps free and untainted and the atmosphere is the atmosphere of those places that remain as God made them and a man s soul must be as the unstained skies the unburdened wind and the untainted atmosphere It is a land of wide mesas of wild rolling pastures and broad untilled valley meadows and a man s freedom must be that freedom which is not bounded by the fences of a too weak and timid conventionalism See other titles by this author available from Kessinger Publishing

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles, 2019-06-28 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it
