## **Why Are You Doing This By Jason:**

This is Love? This is Safe? Michelle Smith,2023-08-17 Sandra a timid woman doesn't see her value in this world. The multitude of assaults on her have diminished her self-worth, value, and ability to see herself as an asset. Those relationships portrayed her life as loving and safe. She knows there must be something better than the life she lived; it couldn't have been genuine love. Fear of her past has made receiving anything real seem impossible. The continuous picking at the wounds from her past keeps them open and susceptible to infecting her, which is just what Keith, her ex-husband, wants. He will do whatever it takes to keep her down, crush her spirit, and keep her where he can manipulate her. The only important thing in her life are her children, but believing she's not worth anything better has kept her from leaving the pain and suffering behind. She struggles to believe if real love exists. When she meets Jason, feelings that she has never felt before expose themselves. Letting him get close to her, she realizes how beautiful her life could be once the healing is complete. Can she trust him, or is he just like the others using her as a tool? She has never fully trusted anyone. If she continues living in the direction she's going, chances are her kids will get sucked into a life she swore they would never have to experience. She has to let go of what she knows and start trusting people. But to have never trusted before makes it complicated. But he seems different. He lights a spark in her she never knew was there. Can she be sure of the process before her, or should she stay in what she knows is real Pain.

*History Repeating* Sue Langford,2014-04-17 When Cara Andrews bumps into an old flame at a bar in town, she knows even talking to him is a mistake. She tries to leave him behind and work the amazing job she has at a top record label, but he doesn't back down. He tries to rewrite history over and over, but making her forget the past isn't something he can do. Cara is determined to move on and never repeat her history again. Leaving the past behind is a task she's determined to complete. When she meets Jason in the park, she knows it's too good to be true. She would never regret it, or would she? Jason Craig has the life that musicians dream of. He has an amazing band, two amazing daughters, and the dream tour. The only thing Jason wanted was to be happy. He didn't think it would ever be possible after his divorce until he saw a woman about to be drenched in a rainstorm. One drink, and he's hooked. He could see his future in her eyes, but would she ever give a guy like him a chance? It's about never repeating history and learning from every mistake. **The Divorceary Rafe**

Jadison,2020-07-25 Jason lives a comfortable life. His business is successful. Both his children have wonderful futures ahead, and people think he's pretty neat. There is just one thing Jason wishes he could get rid of: his ex. When they meet for coffee, however, Jason realizes that after ten years, he wants Howard back. Luckily, Jason has a plan. For Howard, his life is as good as it gets. He's raised two great children and helped his ex build a business that provides Howard alimony. Unfortunately, his ex is also the ultimate Zen wrecker, and no amount of deep breathing can get him out of Howard's head. When Jason shows up broke and with a hair-brained scheme to get Howard back in his life under the guise of celebrating the tenth anniversary of their divorce, Howard isn't sure if he's being insulted or wooed. But he reluctantly agrees to go back to work at the company.

The end of my journey here on earth is presently being played out but I am not afraid. In my lifetime I have experienced it all love happiness sorrow and disappointment. Yet I have never felt alone. First in my childhood my parents were always there to love and protect me and then it was my friends at school. I was abundantly blessed having Anne at my side my wife and my life's companion. But even above all this I have felt the ever presence of God. I've said and done many things that I regret but my God is a forgiving god and in my prayers I am ever pleading for forgiveness for offending him in any way. I can only imagine the wonderment of what lies ahead for me. After seeing only a few of the natural wonders of the world how much more beauty can my eyes behold. For me heaven would be having my spirit set free to float throughout the universe seeing the marvels of the world that God created for all mankind. But I can only imagine what heaven is really like. A song set to music by Bart Millard. I Can Only Imagine says it all. I can only imagine what it would be like when I walk by your side. I can only imagine what my eyes will see when your face is before me. I can only imagine. Surrounded by your glory what will my heart feel. Will I dance for you Jesus or in awe be still. Will I stand in your presence or to my knees will I fall. Will I sing hallelujah. Will I be able to speak at all. I can only imagine when that day

comes and I find myself standing before you I can only imagine when all I do is forever forever worship you I can only imagine I can only imagine      *For We Know in Part* Stephen Morris,2012-10 As Natural As I Corinthians 13 9a For we know in part I Corinthians 13 13b but the greatest of these is love See James 2 13 because judgment without mercy will be shown to anyone who has not been merciful Mercy triumphs over judgment      **Synapse** Ron Prasad,2012-09 Dr Frank Chambers a geneticist has just given his resignation at the University of British Columbia Set to complete project SYNAPSE a ten year endeavor that he is certain will mark a significant point in time regarding human evolution Chambers and his team of international scientists head to the Kerguelen Islands off the coast of Antarctica Chambers has one goal to protect the information he has worked so hard to obtain As Chambers works on the finishing stages of the project an inexplicable discovery is made thrusting him into an enigmatic spiral that transports him deep into the Giza Necropolis of Egypt In the company of new friends Chambers is determined to go to any length to expose knowledge and more importantly the truth As stunning secrets hide within earth s layers the SYNAPSE team soon uncovers evidence that has the potential to forever change the way humans view themselves Earth and each other In this tale of action and adventure a revolutionary scientist holds in his possession something so valuable that others are willing to do anything to get their hands on it Now he just has to determine whom he can trust with his secret His life depends on it
