Handbook of Research in International Human Resource Management Günter K. Stahl, Ingmar Björkman, Shad Morris, 2012-01-01 Acclaim for the first edition Handbook of Research in International Human Resource Management represents a welcome contribution to IHRM literature and will be required readings for both novices and veteran researchers Dana B Minbaeva British Journal of Industrial Relations a rich array of contributors including some of the biggest names in the field Roger Bell Delta Intercultural Academy The second edition of this Handbook provides up to date insight into ground breaking research on international human resource issues today These issues are faced by multinational companies which can be as small as one person with a computer and Internet connection or as large as a medium sized country Written by the field's most distinguished researchers the book will stimulate thought for new research and provide a glimpse of where we have been and where we are going The book explores issues such as the importance of linking IHRM activities to organizational strategy and culture talent management staffing performance management leadership development diversity management international assignment and mobility issues and the role of IHRM in the management of global teams and cross border joint ventures mergers and acquisitions The Handbook illustrates that IHRM research is both theoretically deep and eclectic Drawing upon a range of paradigms and perspectives this compendium will prove invaluable for HRM scholars doctoral students and others interested in IHRM research

Your Professional Qualification, 2002 What is the difference between an academic and professional qualification Who should get a professional qualification Did you know that some professions can not be legally practised with a degree alone Why get a UK qualification Is it expensive to gain a British qualification What is a chartered institute or society and is it better than a non chartered body What is the difference between a professional body and a trade union These are all questions answered in this book which is designed to help individuals choose a career path and the right professional organisation In today's world it isn't enough to have a qualification you need to be able to meet with peers and use the valuable networks that are already in place to foster your profession Your Professional Qualification provides a comprehensive survey of the qualifications available in the UK along with guidance on where they lead entry requirements where to apply and where to study Derived from the vast and authoritative British Qualifications database this important publication provides the first easily accessible guide to qualifications and how to get them in the UK Built around a comprehensive directory of professional qualifying bodies each professional area is described in depth and its qualifications identified and explained The book is supported by a simple website which ensures purchasers of the book are kept up to speed with new developments
