

ACCESS CARD FOR

New Testament Syntax Interactive Workbook

For use on the
Blackboard Learn platform

Companion to: The Basics of New Testament Syntax

Daniel B. Wallace and Grant G. Edwards

The *Access Card for New Testament Syntax Interactive Workbook*, based on *A Workbook For New Testament Syntax* by Daniel B. Wallace and Grant G. Edwards, provides users with entry into a collaborative tool for instructors and students, designed for use on the Blackboard Learn™ platform. As such, it is an ideal resource for students enrolled in schools (both college and graduate levels) utilizing Blackboard solutions for both on-campus and distance education. The workbook is integrated for use with Daniel B. Wallace's *The Basics of New Testament Syntax* or *Greek Grammar Beyond the Basics* and *New Testament Greek Syntax Laminated Sheet*, each available separately.

A Workbook For New Testament Syntax A Workbook For New Testament Syntax

Mark Andrew Brighton

A Workbook For New Testament Syntax A Workbook For New Testament Syntax:

A Workbook for New Testament Syntax Daniel B. Wallace, Grant Edwards, 2011-04-19 Daniel B Wallace's groundbreaking books *Greek Grammar Beyond the Basics* and *An Exegetical Syntax of the New Testament* and *Basics of New Testament Syntax* have become the standard textbooks among colleges and seminaries for teaching New Testament Greek syntax. This workbook designed to accompany both books presents a dynamic approach to learning Greek syntax. Instead of simply learning syntax in single verse snippets, students are exposed to all of the major syntactical categories in exegetically and theologically significant passages.

The Basics of New Testament Syntax Daniel B. Wallace, 2009-05-18 *The Basics of New Testament Syntax* provides concise up to date guidance for intermediate Greek students to do accurate exegesis of biblical texts. Abridged from *Greek Grammar Beyond the Basics* and *An Exegetical Syntax of the New Testament*, the popular exegetical Greek grammar for studies in Greek by Daniel B Wallace, *The Basics of New Testament Syntax* offers a practical grammar for second year students. The strengths of this abridgment will become quickly apparent to the user. It shows the relevance of syntax for exegesis and is thoroughly cross referenced to *An Exegetical Syntax*. It includes an exceptional number of categories useful for intermediate Greek studies. It is easy to use. Each semantic category is discussed and a definition and key to identification are provided. Scores of charts and tables are included to enable the intermediate student to grasp the material quickly.

New Testament Greek Syntax Laminated Sheet Daniel B. Wallace, 2019-03-26 This summary laminated sheet of *Greek Grammar beyond the Basics* and *Basics of New Testament Syntax* is perfect for students to review categories of uses and look over possibilities when doing exegesis of the New Testament.

Matthean Sets of Parables Peter Yaw Oppong-Kumi, 2013 Revised thesis doctoral Universit at T ubingen 2010

A Workbook for Intermediate Greek Herbert W. Bateman IV, A veteran teacher guides students step by step through the Greek text of 1 3 John

A Short New Testament Syntax Mark Andrew Brighton, 2018-04-11 Second year students of New Testament Greek need to review grammatical terminology and categories of syntax. Although reference Grammars have been published for researchers, they are cumbersome for this purpose. This handbook is written for these students. It provides concise descriptions for the major categories of New Testament syntax and is accompanied by a dictionary of grammatical terms and translation exercises.

Greek Grammar Beyond the Basics Daniel B. Wallace, 1996 Depth, accuracy, relevancy and up to date presentation make this intermediate Greek grammar the finest available. Written by a world class authority on textual criticism, it links grammar and exegesis to provide today's second year Greek student with solid exegetical and linguistic foundations.

Going Deeper with New Testament Greek Workbook John J. R. Lee, W. Tyler Sykora, 2025-01-15 *Going Deeper with New Testament Greek Workbook* by John J R Lee and Tyler Sykora guides readers through a careful study of the Greek text of the Gospel of Mark's journey narrative 8:22-10:52.

Expounding the Gospel and Law of God--Exegesis and Sermonic Development George J. Gatgounis, 2022-06-03 *Exegesis and Sermonic Development: The Path from Text to Sermon* by the

Rev Dr George Gatgounis Esq provides in depth guidance to producing sermons that are true to the biblical text so as to bring nourishment to our failing and feeble Church It s one of the few exegetical works that starts with the spiritual consecration of the preacher since the exegetical process must first begin with communion with the Holy Spirit This work is an encyclopedia of sermon development The Basics of New Testament Syntax E-Learning Bundle Daniel B. Wallace,2013-11-21 The Basics of New Testament Syntax E Learning Bundle is only for students enrolled in a course at an institution that utilizes the Blackboard Learn platform Basics of New Testament Syntax E Learning Bundle packages three of Daniel B Wallace s second year Greek language resources a grammar a laminated sheet and an accompanying interactive workbook into an all in one resource for online and distance learning students *Verbal Aspect in the Book of Revelation* David L. Mathewson,2010-07-26 The book of Revelation is well known for its grammatical infelicities More specifically Revelation exhibits apparently odd use of Greek verb tenses Most attempts to describe this odd use of verb tenses start with the assumption that Greek verb tenses are primarily temporal in meaning In order to explain Revelation s apparent violation of these temporal values scholars have proposed some level of semitic influence from the Hebrew tense system as making sense of this odd use of tenses However recent research into verbal aspect which calls into question this temporal orientation and suggests that Greek verb tenses grammaticalize aspect and not time has opened up new avenues for explaining the Greek verb tense usage in Revelation This book applies verbal aspect theory to tense usage in Revelation and focuses on how the tenses as communicating verbal aspect function within sections of Revelation **New Testament Exegesis** Gordon D. Fee,2002-01-01 The third edition of this handbook provides a step by step guide to writing an exegetical paper on the New Testament It takes into account the latest advances in methodology as well as resources 10 illustrations *Annual register* University of Chicago,1898 **A Grammar of the New Testament Dialect** Moses Stuart,1834 **The Universalist Quarterly and General Review** ,1887 **Problems with Preterism** Bryan C. Hodge,2022-11-11 Preterism is the belief that the majority if not all of the eschatological passages in the New Testament have already been fulfilled in the first century Although there are some needed correctives that preterism provides when interpreting eschatological statements in the Synoptic Gospels the interpretive methodologies employed are largely plagued with exegetical and logical fallacies On top of these the genre of apocalyptic is often completely lost on the modern interpreter and as a result leads to numerous non sequiturs made when it comes to the nature and time of biblical eschatology This book seeks to correct these hermeneutical missteps by providing exegetical principles that may help guide the reader to a more biblically sound conclusion concerning the timing and nature of biblical eschatology **The Divinity School** University of Chicago. Divinity School,1893

Themelios, Volume 39, Issue 1 D. A. Carson,2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological
